No. P. 9 D of 1953.

Office of the Surgeon General with the Government of Bombay :

Bombay 1, 8th July 1953.

From

The SURGEON GENERAL with the
GOVERNMENT of BOMBAY,
Bombay.

To

The SECRETARY to GOVERNMENT,
Local Self-Government and Public
Health Department,
Bombay.

Subject.—*Annual Report on Civil Hospitals and Dispensaries for the year 1952.*

I forward for the information of Government the report on Civil Hospitals and Dispensaries for the year 1952.

2. *General.*—During the year 1952, all Civil Hospitals and Dispensaries were working satisfactorily. The total number of medical institutions open on the 31st December 1952 was 1,441. The number of in-door and out-door patients treated in the State, Public, Municipal and Local Fund and Private-aided Hospitals and Dispensaries and the number of deaths (among in-patients only) were as under :—

In-door patients	2,38,600
Out-door patients	55,38,421
Deaths	11,391

The receipts and expenditure on account of maintenance of State, Public, Local and Municipal Fund, and Private-aided Hospitals and Dispensaries during the year 1952 were as under :—

	Rs.
Miscellaneous Receipts including hospital fees, charitable contributions, etc.	22,03,031
Expenditure	1,87,76,408

In 1952, five important major works were sanctioned by Government. Minor works at a total cost of Rs. 2,40,903 were carried out from the Surgeon General's discretionary grant.

The Drugs Control Organisation, the Nutrition Department, the Blood Transfusion Service continued to make satisfactory progress in their respective fields of activities. Since the appointment of the Special Leprosy Officer, active steps are being taken to eradicate the disease. Treatment with Sulphone Drugs has been started at Leprosy Hospitals in the State and it has proved effective.

The various diets along with the menus for hospital patients, in the different categories, as recommended by the Department of Nutirtion and approved by Government, have been introduced at Government Hospitals in the State and small advisory committees appointed at each hospital to advise on the successful working of the various diet scales.

The recommendations made by the Committe appointed by Government for over-hauling and revising the rules for the levy of fees in Government and State-aided Hospitals and Dispensaries are under the consideration of Government.

The Advisory Committees at Government Hospitals in Bombay City and in the mofussil continued to do useful work in the year under report.

BUILDINGS.

3. *Major Works.*—The following major works were administratively approved by Government during the year 1952 :—

(1) Construction of a New building for the O. P. D., in the compound of the G. T. Hospital, Bombay—Rs. 6,87,463.

(2) Provision of safety arrangements to Nurses quarters to prevent theft at the Sassoon Hospitals, Poona—Rs. 23,972.

(3) Construction of Nurses Quarters in the compound of the J. J. Group of Hospitals, Bombay—Rs. 8,32,165.

(4) Extension of accommodation at the Kondhwa Leprosy Hospital, Poona—Rs. 22,637.

(5) Provision of polished Kotah Stone flooring to the rooms and supplying iron grills to the windows of the New Nurses Hostel at the Shree Sayaji General Hospital, Baroda—Rs. 38,000.

4. *Minor Works.*—During the year 1952, though the execution of new works was restricted only to those which were considered to be urgent and necessary, several minor works representing additions and alterations and improvements to buildings of hospitals and dispensaries were carried out at a total cost of Rs. 2,40,903 from the discretionary grant placed at the disposal of the Surgeon General. The following are some of the important works undertaken during the year :—

(1) Additions and alterations to the Lady Students Hostel at the B. J. Medical College, Poona—Rs. 2,598.

(2) Provision of additions and alterations to the O. P. D., in the compound of the G. T. Hospital, Bombay—Rs. 992.

(3) Providing a pumping set to the well at the S. P. Sanatorium, Baroda—Rs. 2,115.

(4) Construction of permanent quarters for six female sweepers in the compound of the Cama and Albless Hospitals, Bombay—Rs. 12,350.

(5) Provision of a covering over the existing open snake farm at the Haffkine Institute, Bombay—Rs. 9,548.

(6) Construction of a room to accommodate the X-Ray Unit in the Civil Hospital, Sholapur—Rs. 12,495.

(7) Rebuilding of Gynaecology Operation Theatre at the Shree Sayaji General Hospital, Baroda—Rs. 8,240.

(8) Provision of fire fighting equipment in the medical students hostel of the B. J. Medical College, Poona—Rs. 3,855.

(9) Construction of block of 12 beds in the Civil Hospital, Nasik—Rs. 12,331.

(10) Provision of electrically driven water pump set at the Mental Hospital, Ahmedabad—Rs. 3,967.

The buildings of the various Government Hospitals and Dispensaries were kept in good condition and the requisite repairs were carried out by the Public Works Department as far as possible within the sanctioned grants.

5. *Bombay City Hospitals, J. J. Group of Hospitals, Bombay.*—For the composition of a complete T. B. Unit, Government sanctioned the following additional staff:—

(*i*) One Honorary Assistant Specialist in T. B., J. J. Hospital and Tutor, Grant Medical College, Bombay.

(*ii*) One Registrar.

The post of Assistant Medical Officer at the T.B. Clinic which, was held by a B.M.S. Class II, was abolished from 19th September 1952 in view of the creation of the post of Honorary Assistant Specialist in T.B. mentioned above.

The post of Honorary Assistant Psychiatrist (Child Psychiatrist), J. J. Hospital, and Tutor, Grant Medical College has been filled up with effect from 12th May 1952.

Two posts of Honorary Assistant Physicians, J. J. Hospital and Tutors, Grant Medical College, Bombay, were created and candidates were appointed to these posts in July 1952.

6. *G. T. Hospital, Bombay.*—The post of Honorary Anæsthetist was vacant during the year. Till the establishment of a Central Anæsthesia Department at the J. J. Group of Hospitals, Bombay, comes into operation, two trained and qualified Anæsthetists from the J. J. Hospital are attending this hospital from 9 a.m. to 12 noon on alternate days from 25th July 1952.

Administrative approval was accorded by Government to the plans and estimates the latter amounting to Rs. 6,87,463 for the work of construction of a new building for the O.P.D., in the hospital compound.

The X-Ray and Electro-Therapeutic Department is open daily and it is very popular.

7. *Cama and Albless Hospitals, Bombay.*—The work of construction of an administrative block with a modern operation theatre in the compound of these hospitals, out of the generous donation of Shri Desai, has been completed, except for the work of electric installation in the building.

8. *M. A. Podar Hospital, Bombay.*—This Ayurvedic hospital continued to render useful medical relief to the poor labourers of the B. D. D. Chawls, and in the surrounding locality.

9. *Homœopathic Hospital, Bombay.*—The work of additions and alterations to the premises housing the hospital at Sion was taken up by the Executive Engineer, Public Works Department, Presidency Division, Bombay, and it was completed by the end of March 1952. The O. P.D. was started on 1st February 1952. The In-door Department was started on the 29th May 1952. The hospital work is being attended to by two Physicians, two house Physicians and one Resident Medical Officer.

An X-Ray machine was installed in the month of November 1952. The installation of the X-Ray machine solved many problems and helped the hospital to admit in-door cases and treat O. P. D. cases more efficiently. The total bed strength of the hospital is 30. An Honorary Radiologist has been appointed.

MOFUSSIL HOSPITALS.

10. *Civil Hospital, Godhra.*—In view of the serious difficulty of water experienced at the hospital, the Indian Red Cross Society, Godhra, District Branch, decided to install an electric pump on the hospital well with pipe extension all over, at a cost of about Rs. 3,000 and the work was completed during the year under report.

The X-Ray Department of this hospital worked satisfactorily since the appointment of an Honorary Radiologist. A laboratory technician has also been appointed at this hospital.

11. *Good Fellow Civil Hospital, Palanpur.*—Shrimati Manibai Chunilal Ujamchand ward in the compound of the Civil Hospital, which had remained incomplete at the time of merger was completed by the Public Works Department during the year under report.

12. *Civil Hospital, Nasik.*—A diathermy machine (combined medical and surgical) was purchased on 19th June 1952 and installed in order to afford facilities to patients for diathermy treatment.

13. *Civil Hospital, Thana.*—Sanction was accorded by Government to the purchase of a new ambulance car for the Civil Hospital, Thana, at a cost not exceeding Rs. 16,000. The ambulance car has been purchased.

14. *Civil Hospital, Dharwar.*—Government have accepted the offer of a donation of Rs. 50,000 made by the Dharwar District Branch of the Indian Red Cross Society for the extension of the maternity ward at the Civil Hospital, Dharwar, accommodating about 12 beds. The ward, when constructed, is to be utilised for removing the congestion existing in the present maternity ward attached to the hospital.

15. *Civil Hospital, Broach.*—An ultra violet lamp was purchased during the year from the fund received from the Collector, Broach. An X-Ray machine was purchased at a cost of about Rs. 20,000. The machne has been installed.

16. *Civil Hospital, Jalgaon.*—Equipment and appliances for the laboratory have been purchased and a Laboratory Technician has been appointed.

17. *Civil Hospital, Ratnagiri.*—An amount of Rs. 56,000 has been sanctioned for the construction of a T.B. ward and X-Ray room.

18. *Advisory Committees.*—The Advisory Committees at Government Hospitals in Bombay City and in the mofussil continued to do useful work. Thanks are due to the members for the interest they evinced in the welfare of patients.

19. *Ambulance Service.*—The ambulance service in the mofussil continued to do very good work. The ambulance car at the Sassoon Hospitals, Poona, was replaced by a new one. It has also been decided by Government that the old ambulance cars at the Civil Hospitals at Sholapur and Kalwar should be replaced by new ones at an approximate cost of Rs. 32,000.

A grant-in-aid of Rs. 6,000, which is equal to the ground rent of the plot of land on the Marine Lines Maidan, Bombay, leased to the Bombay City Ambulance Corps, was sanctioned by Government. Government also sanctioned the payment of a grant-in-aid of Rs. 5,000 to Miss Paulin Stigen towards the running cost of her village Maternity Medical Aid and Ambulance Car Scheme in Ahmedabad District.

20. *Grants-in-aid to Mission Hospitals.*—During war days, medical institutions conducted by missionary bodies found it very difficult to meet their expenditure due to fall in their overseas subscription and rise in the prices of all supplies. With a view to enabling these bodies to carry-on their medical relief work, Government sanctioned non-recurring grants-in-aid to them whenever necessary. The Miraj Medical Centre, Miraj, is one of these institutions, which is being given grant-in-aid every year. During the year under report, a grant-in-aid of Rs. 15,000 was sanctioned to the Centre.

21. *Ayurvedic and Unani Tibbi Systems of Medicines.*—In pursuance of the recommendations made by the Committee on Research in Ayurveda appointed by the Government of Bombay, Government constituted a Board of Research in Ayurveda under the Chairman-ship of Dr. K. S. Mhaskar, M.A., M.D., B.Sc., D.P.H., D.T.M. & H., for carrying out a programme of Research in Ayurveda. The work mentioned above is in progress.

Government considered the report received from the Faculty of Ayurvedic Unani Tibbi Systems of Medicine, Bombay, regarding recognition of Ayurveda Mahavidyalaya, Poona, for teaching the G. F. A. M. Course and granted permanent recognition to the Poona Ayurved Mahavidyalaya for teaching the above mentioned course.

Government also granted recognition to Shri J. S. Maha Gujarat Ayurvedic Medical College, Nadiad, for a period of one year in the first instance for the new degree course in Ayurveda from June 1952. To start with, the College was permitted to admit not more than 24 students (who have passed inter-science-B-Group) to the first year of the new degree course.

Government accorded sanction to the holding of Refresher Course for village Vaidyas by the Faculty of Ayurvedic and Unani Systems of medicine, Bombay. The details of the course are as under :—

(*a*) The course should extend for four weeks. The work should be for four hours in a day and for five days in a week.

(*b*) The exact date for commencement and termination of the course to be fixed by the Faculty of Ayurvedic and Unani systems of medicine, Bombay.

(*c*) The total number of candidates to be admitted should be 180, (30 in each of the six Ayurvedic Colleges in the State of Bombay).

(*d*) The fees to be charged to candidate should be Rs. 30 per student.

(*e*) The course should be open to medical practitioners serving in Government, Municipal and District Local Board Institutions, Subsidised Medical Practitioners and Vaidyas, who have been registered or enlisted under the Bombay Municipal Practitioners Act, 1938. If, however, the number of candidates desirous of undergoing training in the course is very large, preference should be given at initial stages, to Ayurvedic Medical Practitioners, who are not D. A. S. F. serving in Government, Municipal, District Local Board Institutions, including S. M. Ps.

22. *Registration Tribunal.*—The Registration Tribunal established under the amended Bombay Medical Practitioners Act, 1938 continued to function during the year under report. The numerous applications received by it were under scrutiny. The Tribunal was to complete its work by the end of March 1953. As the work could not be finished, the time limit was extended up to 31st July 1953.

To encourage the Ayurvedic and Unani Tibbi Systems of Medicine Government sanctioned, on certain conditions the payment to the following institutions of

recurring grants amounting to Rs. 1,47,595, as detailed below during the period under report :—

		Rs.
(1) The Ayurved Mahavidyalaya, Ahmednagar	..	20,735
(2) The O. H. Nazar Ayurvedic College, Surat	..	22,234
(3) The Aryangla Vaidyak Mahavidyalaya, Satara	..	32,582
(4) The Ayurveda Mahavidyalaya, Poona	..	68,812
(5) The Maha Gujarat Ayurvedic College, Nadiad ?	..	3,232

Government also sanctioned the payment, during the year under report, of non-recurring grants amounting to Rs. 3,48,105 to certain Ayurvedic Institutions.

23. *Homoeopathy.*—The Government of Bombay constituted a Registration Tribunal consisting of the following three persons for the purpose of preparing the first Register of Homoeopaths under the Bombay Homoeopathic Act, 1951 :—

(1) Shri B. R. Chugha (since died and succeeded by Shri C. J. Sutaria, M.L.A.)
(2) Shri S. R. Wadia.
(3) Shri V. V. Athalye.

The staff consisting of Secretary, Clerk and Peon for the Registration Tribunal was sanctioned by Government purely on a temporary basis pending further order. Government also sanctioned a grant of Rs. 2,000 to the registration Tribunal for its initial expenditure and any subsequent expenditure to be met by Tribunal from the amount of Registration fees.

24. *Leprosy.*—With a view to continuing the treatment with Sulphetrone and other Sulpha drugs started at the Government Leprosy Hospitals and Leprosy Hospital, Sholapur, Government sanctioned an expenditure of Rs. 35,124 during the year. The number of patients under treatment in the above hospitals and the progress made is mentioned below :—

During 1952, 375 patients were receiving treatment with sulphetrone Solution prepared at the Haffkine Institute, Bombay, in Government Leprosy Hospitals and the Leprosy Hospital, Sholapur, as against 324 patients treated last year.

The results of treatment in patients is as shown below :—

1.	Disease arrested and the patients discharged	12
2.	Much improved	105
3.	Slight improvement	153
4.	No change	95
5.	Worst	10
		375

A Scheme for the utilisation of the donation to the mahatma Gandhi National Memorial Fund, which was approved by the Gandhi Smarak Nidhi could not be introduced as the Nidhi is now considering to have the project only in Maharashtra.

The posters on leprosy prepared by the Hind Kusht Nivaran Sangh, New Delhi have been purchased for the purpose of display through the Mobile publicity Vans of the Directorate of publicity stationed in Districts.

Government sanctioned the Schemes of starting a grinding mill and hand-loom weaving at the Kondhwa Leprosy Hospital, Poona. The agrictulural work at the Kondhwa Leprosy Hospital, Poona, is increasing day by day. This year, for the agricultural work, Government accorded sanction to the purchase of two bullocks.

Government sanctioned a scheme of poultry farm at the leprosy Hospital, Pui. The scheme is expected to be started shortly.

For starting 'Agriculture' at the Leprosy Hospital, Ratnagiri, Government sanctioned the proposal of acquisition of land, which involves recurring and non-recurring expenditure of Rs. 1,500 and Rs. 1,000 respectively.

In addition to the usual grants for the maintenance of statutory and non-statutory leprosy patients, the following non-recurring grants were given to some of the Leprosy Hospitals during the year under report :—

	Rs.
(*i*) Leprosy Hospital, Sholapur	5,000
(*ii*) Leprosy Hospital, Bijapur	5,000
(*iii*) Parvatibai Leprosy Hospital, Surat	4,850

In addition a grant of Rs. 9,000 was given to the Leprosy Hospital, Sholapur, towards the repairs of the buildings.

The Social worker appointed by Government for doing leprosy work in Nasik District was sent for training in Leprosy at the Acworth Leprosy Home, Matunga Bombay, for a period of two months.

There is a District Leprosy Committee at Poona. The Committee arranged a Leprosy week in Poona last year and collected some funds. It is proposed to construct a block for 36 patients at the Kondhwa Leprosy Hospital, Poona, from the funds collected by the Committee. The recurring expenditure on account of 36 beds will be borne by Government. It is expected that this proposal will materialise during the next year.

At present there is no Superintendent and Resident Medical Officer at the Kondhwa Leprosy Hospital, Poona, as the permanent Superintendent is on leave Government have, therefore, appointed an Honorary Superintendent at that hospital to look after the medical side of the hospital, till the permanent Superintendent returns back from leave or a B.M.S. Class II Officer becomes available, which ever is earlier.

25. *Anti T.B. Activities.*—During the year under report, the B. C. G. Vaccination teams in Bombay and Baroda continued to work satisfactorily.

The Medical Officer and Publicity Supervisor working under the Honorary Secretary, B. C. G. Vaccination Committee, Bombay, was deputed to Punjab, where work in B. C. G. Vaccination on a mass scale is in progress so as to have experience in mass B. C. G. Vaccination.

The question of creating, for the help of poor patients suffering from T.B., a Charity Fund made up of private donations, voluntary contributions, etc., is under the consideration of Government. Pending a decision on the question, Government accepted the amount of Rs. 17 contributed by Shri Bhagavandas H. of Kalbadevi.

All Government Institutions and servants extended maximum co-operation in the T.B. Seals sale campaign 1951–52, as desired by Government.

The amount of Rs. 3,669–0–3 of H. M. King Emperor's Anti-T.B. Trust Fund, Mudhol, which stood to the current account with the Mudhol State Central Co-operative Bank Ltd., Mudhol, in the name of the Collector, was placed at the disposal of the Medical Officer in charge K.E.M. Hospital, Mudhol, for utilizing on costly medicines, injections etc., required for poor patients from the ex-Mudhol State area suffering from T.B. and attending the hospital as out-door patients.

A grant of Rs. 10,000 was sanctioned by Government to the Bombay Province Anti-T.B. Association, towards its recurring expenditure. An *ad hoc* grant of Rs. 5,000 to the Bel-Air Sanatorium, Panchgani, was also sanctioned by Government.

The recommendations of the Nutrition Department regarding diets along with menus for T.B. patients at the Hospital for Diseases of Chest, Camp Aundh, Poona, S. P. Sanatorium, Baroda and T. B. patients at other Government hospitals were approved by Government. The revised diet scales were brought into effect during the year under report as desired by Government.

26. *Hospital for Diseases of the Chest, Camp Aundh, Poona.*—The hospital has an accommodation for 125 beds and it is to be increased to 300 beds gradually, when funds permit. In addition, 30 additional beds are specially meant for displaced persons and the expenditure on account of these beds is recovered from the Government of India. During the year under report all the beds in the hospital were occupied. The progress of the patients continued to be satisfactory. The above hospital has been opened as a part of the post-war reconstruction scheme to start two T.B. Hospitals in this State; the question of selecting a site for the other T.B. Hospital was under consideration.

27. *Blood Transfusion Service.*—The staff sanctioned in 1949 by Government in connection with the Blood Transfusion Service at Government Hospitals in Bombay City and mofussil was continued during the year 1952. From the reports received from the various institutions it is found that the results of the Blood Transfusion Service are encouraging and the Scheme has become a permanent feature. The difficulties as regards the donors of blood still hampers the progress of the scheme and, unless monetary rewards are offered, more donors will not come forward inspite of the propaganda carried on by means of posters, cinema slides and documentary films. Still the response of donors is not as encouraging as it should be.

28. *Rural Medical Relief: Village-aid Centres.*—The Scheme for the opening of village aid centres through the agency of the primary school teachers in Backward areas introduced in a number of villages continued to work during the year. The Bhil Sudhar Samiti was supplied with medicines to the extent of Rs. 8,750 during the year for rendering medical facilities to the Bhil areas of the West Khandesh District.

29. *Appointment of S. M. Ps.*—Under the Rural Medical Relief Scheme Government have so far sanctioned 333 centres in the several Districts. Due to the dearth of allopathic medical practitioners, it was not found possible to open all the centres. The sub-joined table shows the number of subsidised dispensaries in the several districts and the total number of patients treated in them during 1952.

District.	No. of Dispensaries.				Patients treated.

The S. M. P. Scheme has proved a fair success and it was, therefore, proposed to open 100 additional centres as a Post-war Reconstruction Measure. Government have decided that these 100 centres, should be financed and controlled entirely by Government. Of these 100 centres, Government later on decided that 17 allopathic S.M.P. Centres should only be opened. The question of opening the remaining centres was postponed. Government have also sanctioned 125 additional S. M. P. Centres as a Post-war Reconstruction measure. In respect of these centres 4/5th of the expenditure is to be borne by Government and 1/5th by the District Local Board concerned. The above 142 S. M. P. Centres, including the old 333 centres, have been included in the five year plan. These centres are to be opened in areas where there are no facilities for medical relief at present within a radius of 5 miles and also where private practitioner have not set up private practice. The location and type of 120 centres have been decided upto the end of December 1952. The question of deciding the type and location of the remaining centres was under consideration.

30. *Appointment of Nurse-Midwives.*—Of the 81 Nurse-Midwives to be appointed at the District Local Board Dispensaries under the Rural Medical Relief Scheme, only 53 were appointed upto the end of December 1952, as shown in the subjoined table.

Serial No.	District.	Total No. of Nurse-Midwives.

31. *The Mobile Ophthalmic Unit.*—The Mobile Ophthalmic Unit sanctioned for the Southern Division continued its useful work in rendering specialised treatment to persons suffering from eye diseases in the rural areas. The idea in starting this Unit was to provide treatment for eye complaints coupled with surgical treatment, if considered necessary, at the door steps of the patients, so that they take treatment, at an early stage of the disease, instead of going to the nearest Civil Hospital at a very late stage when nothing could be done. The Unit visited 65 places in Ratnagiri, North Kanara, Kolhapur, South Satara and West Khandesh District and examined 10,780 patients.

32. *Sub-Dispensors' Scheme.*—37 Sub-dispensaries (19 in West Khandesh and 18 in Panch Mahals) continued to render useful service to the rural population of the backward areas.

33. *Equipment.*—Government sanctioned the payment of grants-in-aid of Rs. 50,000 to Vijay Maternity Home, Rajpipla and Rs. 25,000 to Shree Kasturba Maternity Home, Jhagadia, towards the purchase of equipment. For the purchase of anaesthesia equipment for the Civil Hospital, Ahmedabad, Government sanctioned an expenditure of Rs. 5,800.

From the Hospital maintenance fund equipment was purchased for the following institutions :—

	Name of the hospital.			Cost.
				Rs.
1.	St. George's Hospital, Bombay	..	..	16,391
2.	J. J. Group of Hospitals, Bombay	..	..	45,554
3.	G. T. Hospital, Bombay	..	..	2,120

34. *Nursing.*—Government sanctioned the deputation of two candidates to the College of Nursing, New-Delhi, during the year under report, for the B.Sc. (Hons.) Course of the Delhi University and two nurses were deputed. In addition 8 nurses were deputed for post-graduate course in teaching and administration and Public Health Nursing.

The Scheme for the grant of Scholarships to High School Girls intending to take up nursing as a career sanctioned for a period of five years was discontinued as sufficient number of candidates are forth-coming for training.

The unqualified nursing staff, formerly working at institutions in the States now merged in Bombay State, who have been absorbed or retained temporarily in Bombay Government Service and who desire to undergo training in Nursing or Midwifery at Government Hospitals, were, during the period of training, granted extraordinary leave and the stipends and allowances sanctioned for students nurses at the Government Hospitals in which they took training as pupil nurses. During the period of their training, substitutes were engaged in their places.

Government approved the recommendations made by the Nutrition Department regarding the balanced diet for nurses at Government Hospitals in the State of Bombay.

35. *Typhoid in Bombay and Suburbs.*—The Scheme for the collection of clinical samples in suspected cases of enteric fever and their examination at the Haffkine Institute, Bombay, proved useful by way of help to Registered Medical Practitioners in arriving at an early diagnosis in such cases free of cost and also to the Executive

Health Officer, Bombay Municipality, in spotting out cases in Greater Bombay for taking preventive measures in time. During the year ending December 1952, the Institute received 900 calls to collect clinical samples in suspected cases of enteric fever and altogether examined 4,300 samples serologically and bacteriologically and reported. It is thus evident that many medical practitioners are taking advantage of the free diagnostic aid of this scheme at the Haffkine Institute, which has proved useful to the public.

36. *Tata Memorial Hospital, Bombay.*—A grant-in-aid of Rs. One lakh was sanctioned by Government during the year.

37. *Red Cross.*—The Red Cross Society continued to render eminently satisfactory service under its enlarged scope. Most of the Civil Surgeons are members of the District Societies and have co-operated actively in its work.

38. *Infantile Paralysis.*—For the maintenance of Children's Orthopaedic Hospital in Bombay City, Government sanctioned to the Society for Rehabilitation of Disabled and Crippled Children, Bombay, during this year, a grant of Rs. 27,292 equal to ½ of the deficit of the Society for the year ending 31st December 1952 subject to certain conditions.

39. *Blind Relief.*—In 1952, two Eye Camps—one at Deesa in the Banas Kantha District and the other at Nandurbar in the West Khandesh District, were held by this Department. These camps proved a great success, as many patients suffering from eye diseases were treated at the camps—vide the figures given below :—

Name of the Camp	Number of patients treated		Operation's performed	
	In-door	Out-door	Cataracts	Other Operations.
Deesa	489	2,155	338	358
Nandurbar	686	2,726	658	151

Facilities for treatment of eye diseases were available in Eye Hospitals and at General Hospitals with Ophthalmic Departments as usual.

40. *Dental Council.*—Government sanctioned the payment of a grant-in-aid of Rs. 6,469 to the Bombay State Dental Council during the year.

41. *Scheme for distribution of quinine.*—The Scheme for the distribution of quinine and quinine substitutes to private medical practitioners, hospitals, and dispensaries was wound up by the Superintendent of Excise, Bombay, from 1st September 1952 and the work of distribution of quinine and quinine substitutes was entrusted to the Director, Haffkine Institute, Bombay. The stocks of the drug continued to be kept in the godowns of the Director of Prohibition and Excise, Bombay. The qantities of the drugs required by the Director, Haffkine Institute, from time to time are removed from the godowns of the Excise Department for distribution.

42. *Stud farm at Pimpri (Poona).*—The question of acquiring the stud farm at Pimpri for housing horses of the Haffkine Institute, Bombay, was under active consideration during the year and the farm has actually been purchased and formally taken over by the Director, Haffkine Institute, Bombay, on 29th January 1953.

43. *Medical Social Services Department.*—The Department continued to do useful work during the year under report at the three Government Hospitals in Bombay City viz., J. J. Group of Hospitals, G. T. Hospital and Cama and Albless Hospitals. The Medical Social Workers' Department sanctioned by Government at the St. George's Hospital, Bombay, was opened and a candidate was appointed from 1st February 1952. It started functioning during the year.

44. *Medical Relief Work for Displaced Persons.*—At the commencement of the year 1952 there were 19 colonies dispensaries in the State. During the course of the year, Madh Island Colony was closed and there remained only 18 colonies up to the end of the year. The number of beds at the beginning of the year at the Colony—Hospitals was 309 and the number at the end of the year was 394. The decrease was due to the closure of Madh Island Colony. The conditions of health and sanitation at all the colonies during the year was satisfactory and adequate medical and sanitary staff was maintained throughout the year. All facilities were afforded to the T. B. patients in the Central Hospital in Kalyan Camp No. 3. The UNICEF Milk Distribution Scheme to children and expectant mothers was also continued during the year.

45. *Scheme for Higher Training of Medical Graduates abroad.*—Government did not participate in the above Scheme sponsored by the Government of India by way of deputing new candidates for training abroad during the year under report.

Under the World Health Organisation Scheme, 2 candidates, who were selected for the award of fellowship in the subjects of " Bacteriology " and " Medical Education " and deputed overseas, returned during the year under report after receiving the necessary training in the above subjects.

The Government of India deputed a Health Mission from India of six Senior Public Health Administrators to Canada under the Colombo Plan for study of Public Health Practice Organisation and Administration at Federal, Provincial and Municipal levels in Canada. As hospital services is an important part of health, Government of India deputed Dr. B. B. Dikshit, M.B., M.R.C.P.E., D.P.H., Ph.D., F.N.I., F.R.S., Surgeon General with the Government of Bombay on the above Mission.

Dr. H. S. Mehta, M.S., F.C.P.S., Police Surgeon, Bombay, was deputed as a delegate of the Government of Bombay for attending the third Congress of International Academy of Legal and Social Medicine held in Brussals (Belgium) on 3rd and 4th June 1952. Though he was also allowed to spend six weeks in England after the Conference was over and to see the work of the Criminal investigation and Forensic Laboratories in some of the principal cities there at his own expenses, he had to return to India after attending the Third Congress due to the death of his father.

46. *Yellow Fever.*—In connection with the measures to guard against the outbreak of Yellow Fever a 12 bed ward is provided for Yellow Fever Isolation at the Arthur Road Hospital, Bombay. The Government of Bombay is paying to the Bombay Municipality an amount of Rs. 400 per annum as a recurring grant towards the maintenance of this ward, which is borne by the Government of India and this Government on 50 : 50 basis. The question of providing a separate Unit of 30 beds for Yellow Fever cases was under consideration.

47. *Medical Relief to Industrial Workers.*—During the year under report, Office for the implementation of the Employees' Health Insurance Scheme has been

established, and the appointment of the Administrative Medical Officer made. Investigations and surveys regarding incidence of sickness, residential concentration, availab e medical facilities, etc., of workers have been carried out. On the basis of data collected, a plan of action has been worked out and preliminary arrangements are being made to provide full medical benefit to the workers and subsequently to their familities, on the penal system of general practitioners' services and including hospital and other ancillary services. Plans are also being finalised for the construction of a 300 beded hospital in Bombay, entirely for the Industrial workers. It is proposed to introduce the Scheme in Greater Bombay for 400,000 workers in the first instance and then extend it to Ahmedabad, Sholapur and other parts of the State.

48. *Community Projects.*—Five nurses of this Department were deputed at Government cost for training in Public Health Nursing at the College of Nursing, New Delhi, which they joined in October 1952. On completion of their training it is proposed to employ them in the Community Development Project Areas.

49. *Miscellaneous.*—Due to the shortage of B.M.S. Class III Officers, Government have, as an experimental measure, authorised the Surgeon General to appoint, in relaxation of the recruitment rules for B. M. S. Class III, persons with D. A. S. F. qualifications to a few minor allopathic dispensaries. This section is designated as B. M. S. Class III (Ayurvedic). Before joining their respective posts, the candidates are given training in medico-legal and post-mortem work for a period of fifteen days at one of the Hospitals, viz., Sassoon Hospitals, Poona, the Civil Hospital Ahmedabad, and the J. J. Group of Hospitals, Bombay.

50. *Acknowledgments.*—The Department expresses its thanks to all individuals and bodies who have extended their generosity towards the patients in several hospitals by way of donations or gifts.

51. *Statement (A).*—The total number of Institutions open at the beginning of the year was 1,432. During the year under report 9 new institutions were opened. The number of institutions open on 31st December 1952 was 1,441.

52. *Statement (B).*—The following table shows the distribution of Medical Officers (including Honorary medical officers, nurses, midwives, dais and compounders in the various classes of Hospitals and Dispensries and the subsidised Medical Practitioners employed under the Rural Medical Relief Scheme) during the year under report and the previous year :—

Class of Institutions.	Medical Officers.	Nurses.	Midwives.	Dais.	Compounders.
1	2	3	4	5	6
Class I—State Public ..	960	956	172	55	365
Class II—State special ..	19	16	2	1	14
Class III—Local and Municipal Funds.	351	129	102	51	300
Class IV—Private-aided ..	76	90	37	28	48
Class V—Private Non-aided .	139	157	41	40	76
Class VI—Railway .	106	63	3	5	89
Class VII—Subsidised ..	441	....	....	....	....
Total 1952 ..	2,092	1,411	357	180	892
Total 1951 ..	2,024	1,298	349	195	870

53. *Statement (C).*—The following table shows the number of in-door and out-door patients treated in the State Public, Municipal and Local Fund and Private aided Hospitals and Dispensaries of the State of Bombay, their daily average number, death rate, number of beds available during the year 1952 and the previous year :—

	1952	1951
Number of in-patients treated	2,38,600	2,48,617
Number of Out-patients treated	55,38,421	52,79,683
Total number of patients treated	57,77,021	55,28,300
Number of beds available —		
Male	5,340	5,192
Female	4,340	4,745
Daily average attendance of patients—		
In-door	8,514·99	8,585·6
Out-door	55854·29	52104·54
Total number of patients treated at female hospital	1,70,129	1,47,481
Number of cures	1,33,942	1,55,445
Number of deaths (among in-patients only)	11,391	11,285
Ratio of deaths percentage to the total treated	4·7	4·5

54. *Statement (D).*—The total number of patients treated in all classes of hospitals and dispensaries during the year 1952 was 61,97,716 with 14,426 deaths against 58,76,052 with 10,648 deaths in 1951. The sub-joined table shows the principal diseases among the patients treated and the mortality among the in-patients :—

Disease.	1952		1951	
	Cases.	Deaths.	Cases.	Deaths.
1	2	3	4	5
Cholera	837	79	312	5
Dysentery	1,35,033	141	1,19,733	137
Diarrhoea	2,34,751	360	2,16,463	315
Influenza	1,32,212	....	1,20,895	4
Injuries Local and General	5,85,274	1,039	4,34,101	1,188
Labour cases (normal and abnormal) ..	94,763	292	91,179	733
Leprosy	11,406	117	9,903	118
Malaria	6,90,908	92	7,72,960	127
Pneumonia	66,291	622	64,267	557
Plague	65	2	76	3
Small-Pox	1,967	111	1,798	290
T. B. of lungs	47,092	1,106	42,021	1,074
Other forms of T. B.	23,956	494	22,729	622
Enteric fever	15,246	483	14,427	286

55. *Statement (E).*—The following table shows the number of Surgical operations performed in Government, Local and Municipal Funds and Private-aided Hospitals and Dispensaries during the year under report and the previous year :—

1	1952 2	1951 3
Number of surgical operations performed	3,09,062	2,78,264
Number of persons operated upon	2,98,584	2,72,781
Number of deaths	708	822
Death percentage to the number of persons operated upon ..	0·24	·3

56. *Statement (F).*—The following table shows the receipts and expenditure on account of the maintenance of State, Public Local Municipal Fund and Private aided Hospitals and Dispensaries during the year under report and the previous year :—

Receipts.

1	1952 2	1951 3
	Rs.	Rs.
Cash balance on 1st January 1952	6,06,250	11,13,336
Contribution from Government	1,19,63,928	1,63,39,262
Contribution from Local Bodies	45,34,833	39,90,038
Miscellaneous receipts including hospital fees, charitable contributions, etc.	22,03,031	23,94,127
Total ..	1,93,08,042	2,38,36,763

Expenditure.

1	1952 2	1951 3
	Rs.	Rs.
Gross expenditure	1,87,76,408	2,24,05,101
Amounts credited to Treasury in case of Government Hospitals and credited to Dispensary Funds in case of Dispensaries on account of—		
(1) Hospital fees	13,28,490	13,55,309
(2) Sale of unserviceable articles	2,673	14,068
(3) Amount invested	1,03,666	92,044
Total ..	14,34,829	14,61,421
Net cost ..	1,73,41,579	2,09,43,680
	Rs. a. p.	Rs. a. p.
Average cost per diet ..	1 1 5	0 12 9

57. *Statement (G).*—On the 1st of January 1952, the invested capital stood at Rs. 35,96,263. During the year, Rs. 1,03,666 were invested and securities worth Rs. 49,591 were sold or withdrawn, leaving the total invested capital at the end of the year at Rs. 36,50,338.

58. Short notes on the working of the following institutions together with the statements of income and expenditure have been attached as an Appendix to the report :—

(*i*) Grant Medical College, Bombay.

(*ii*) B. J. Medical College, Poona.

(*iii*) B. J. Medical College, Ahmedabad.

(*iv*) Baroda Medical College, Baroda.

(*v*) Sir C. E. M. Dental College & Hospital, Bombay.

(*vi*) R. A. Podar Medical College (Ayurvedic), Worli, Bombay.

(*vii*) Haffkine Institute, Bombay.

(*viii*) Chemical Analyser's Department, Bombay.

(*ix*) Nutrition Department, Bombay.

(*x*) Drugs Control Administration.

(Signed) B. B. DIKSHIT,
Surgeon General with the Government of Bombay.

Mo-A Bk O 27—2

GRANT MEDICAL COLLEGE, BOMBAY.

At the beginning of the year, i.e., on 1st April 1952, the total number of students on roll was 783. Of these, 178 students left the college on completion of their course during the year under report. There were 140 new admissions as follows :—

	Men.	Women.	Class.
Regular admissions in June 1952 ..	101	19	1st Year.
Regular admissions to the condensed M.B.B.S. Course in June 1952 ..	19	1	2nd Year.
	120	20	

During the year under report, 9 students left the College on other reasons, such as ill-health, transfer to other Medical College, etc., and at the end of the year under report there remained 783 (634 men and 149 women) students on the roll as detailed below :—

	Men.	Women.	Total.
Reading for 1st M.B.B.S. Examination.			
1st Year Class	101	19	120
2nd Year Class (Regular)	101	28	129
2nd Year Class (Repeaters)	47	4	51
Reading for 2nd M.B.B.S. Examination.			
3rd Year Class	113	24	137
4th Year Class	112	32	144
Reading for 3rd M.B.B.S. Examination.			
5th Year Class (Regular)	105	23	128
5th Year Class (Repeaters)	55	19	74
Total ..	634	149	783

Of these above students, 31 students belonged to Backward class, 752 students belonged to Non-Backward class.

2. *Examinations.*—According to the revised orders of Government regarding the conduct of the College Examinations, terminal examinations for the 1st and 2nd year students were held at the end of the first term and the Annual Examination for the 1st year students was held in March-April 1953. Annual Examinations for the 3rd year, 2nd term students were held in October 1952 and March-April 1953 and for the fourth year second term students in June 1952 and November 1952. Preliminary examinations were also held for the students appearing for the 1st and 2nd M.B.B.S. Examinations of the Poona University held in October 1952 and April 1953. No preliminary examination was taken for the students who appeared for the 3rd M.B.B.S. Examinations of the Poona University held in October 1952 and April 1953.

Students were sent up for the University Examinations during the year under report as shown below :—

Serial No.	Name of the University.	Examinations.	Month of Examination.	Number of students sent up.	Number of students passed.	Percentage of passing.
1	Poona University	1st M.B.B.S. ..	October, 1952 ..	45	21	46·66
2	Do. ..	2nd M.B.B.S.	October, 1952 ..	53	45	84·9
3	Do. ..	3rd M.B.B.S.	October, 1952 ..	50	27	54·00
4	Do. ..	1st M.B.B.S. ..	April, 1953 ..	95	Report awaited.	
5	Do. ..	2nd M.B.B.S.	April, 1953 ..	44		
6	Do. ..	3rd M.B.B.S. ..	April, 1953 ..	73		

3. *Free studentships.*—In accordance with the new system of granting free studentships introduced from the year 1949, 10 per cent. of the total number of students on the roll are granted full freeships the holders of which are exempted from payment of the full amount of tuition fee only and 10 to 15 per cent. of the total number of students on the roll are granted partial free studentships; the holders of which have to pay the tuition fee at Rs. 201 per annum, instead of Rs. 360 per annum. During the year under report there were 39 full freeships and 53 partial freeships, out of which 4 full freeships and 4 partial freeships were temporarily suspended during the 1st term and 4 full freeships and 18 partial freeships were suspended during the 2nd term on account of unsatisfactory progress of students concerned. Two partial freeships were treated as cancelled for the whole year under report, as the students concerned were granted stipends. There were also 3 Backward Class students during the first term and 2 during the 2nd term holding the special Backward Class full freeships.

On account of the grant of the above concessions, Government have suffered a loss of Rs. 19,085 during the year under report.

4. *Scholarships.*—During the year under report there were in all 30 students holding Government scholarships and other financial concessions and assistance as shown below :—

Name of the Scholarship.	Number of students receiving the scholarship.	Value of the scholarship.	Tenure of the scholarship.	Sanctioning authority.
Government Open Merit Scholarship.	10	20 per mensem each.	7 years ..	The Director of Education, Bombay State, Poona.
Government of India Scholarships to Scheduled Castes, Scheduled Tribes and other Backward Classes.	5	Rs. 1,109 per annum each to 4 students and Rs. 1,156 per annum to 1 student.	1 year in the first instance but likely to continue further to cover the full period of the course.	The Government of India, Ministry of Education, New-Delhi.
Do. for the 2nd term of 1952–53 and for the 1st term of 52–53 the Backward Class Scholarship.	1	Rs. 573 .. (*ii*) Rs. 40 per mensem.	Do. .. Do. ..	Do. The Director of Backward Class Welfare, Bombay State, Poona.
Government of India Scholarships to Foreign students for studies in India under the Cultural Scholarship Scheme.	1	Rs. 200 per mensem *plus* tuition and examination fees.	5 years ..	The Government India, Ministry of Education, New-Delhi.
Special Scholarships to women medical students.	5	Rs. 40 per mensem each.	5 years ..	The Surgeon General with the Government of Bombay, Bombay.
Scholarships awarded by the States to their students studying at this College prior to their merger in the Bombay State and continued further by Government (for the 1st term 1952–53 only).	1	100 per mensem tution library & Gymkhana fees.	5 years ..	The Surgeon General with the Government of Bombay.
Scholarship awarded from the Imperial India Relief Fund.	1	Rs. 180 per mensem	1 year ..	The Director of Education Bombay State, Poona.
Financial concessions to Ex-service women.	1	(*i*) 40 per mensem as maintenance allowance. (*ii*) 15 per mensem as stationery allowance etc. (*iii*) Amount equal to College fees. (*iv*) Examination fees.	5 years ..	The Surgeon General with the Government of Bombay, Bombay.
Stipends to non-muslim displaced students from Pakistan.	5	60 per mensem each	5 years ..	Do.

5. *Buildings.*—The New Hospital Building to accommodate about 500 beds is in progress and a block to accommodate 100 beds is expected to be ready by June 1953.

6. *Research.*—Two problems were tackled at this College and the attached Hospital for which the Poona University had sanctioned a grant of Rs. 6,000. These problems are :—

(*i*) Antihistamine activity of substituted benzyhydryl Amines :—

Preliminary papers published. Further work on this problem has been interrupted due to non-availability of certain apparatus.

(*ii*) *Sulphatrone in Leprosy.*—Final report prepared and published. The Poona University has also sanctioned a grant of Rs. 400 for a statistical presentation and tabulation of results obtained in an investigation of partition of "Nitrogenous constituents in Urine and non-protain nitrogenous constituents in Blood of normal Indian subjects." A paper on this is being prepared and published.

Besides these, several other researches are being carried out by the staff of this College as their own.

7. *Library.*—There are at present about 1,583 books and 365 bound journals in the library. 120 new books were purchased during the year under report and 59 journals are being subscribed for, out of which 28 are British Journals and 26 American and 5 Indian.

8. *Teaching. Hospitals :* The clinical Units formed in June 1948, functioned quite satisfactorily during the year under report. Clinical instructions were given in the O. P. D. and in the Wards of the attached Sassoon Hospitals, Poona, by the Honorary and the Assistant Honorary Medical Officers. Clinical instructions in Mental Diseases were given at the Central Mental Hopital, Yeravda, Poona-6 and those in Infectious Diseases were given at the Infectious Diseases Hospital, Poona 1. The K. E. M. Hospital, Rasta Peth, Poona, 2 and the Cantonment General Hospital, Poona 1, have also been attached to this College for purposes of conducting labour cases only and a few students were sent to these hospitals for conducting labour cases. The students performed the duties of clinical clerks and dressers according to the schedule arranged for differnt units.

9. *College Teaching.*—Lectures in pre-clinical and clinical subjects to the 1st, 2nd, 3rd, 4th and 5th year students, as well as to the condensed course students, were given by the respective Professors, Lecturers and Honorary Medical Officers.

10. *Extra Curricular activities.*—A Medical Company of NCC. is attached to this College. There are 60 cadets and 2 Officers on its roll. During the year under report, the entire syllabus for the 'B' and 'C' Certificate examinaions was covered. This year the Officers and cadets were taken out on Field Days once a month and interesting practical demonstrations in out-door work were held. Lessons on comou-flage and concealment, methods of judging distance, methods of giving reference to a particular object quickly and unambiguously, exercises in map-reading, the improvisation of splints and stretchers and the carriage of wounded, were all taught NCC. Lectures parades were also held on Saturdays and Sundays. In all 47 lectures/Parades, consisting of 124 periods were held during the year. The attendance of NCC. Officers, as well as the cadets, was on the whole satisfactory. The cadets had this year their uniforms made to measure. Cadet NCOS—were issued lanyards and those cadets, who passed either the 'B' or 'C' certificate examinations, were permitted to wear a special badge on the upper arm to show this. New smart looking berets are also

proposed to be issued to the cadets. Thus much is being done to make the cadets smarter in appearance and this has played a great part in boosting up their morale.

The Physical training drills and Gymkhana activities continued during the year as usual.

11. *Finance.*—The receipts and expenditure of the College for the year 1952–53 are given in the subjoined table :—

Serial No.	Receipt's Items.	Amount.	Serial No.	Expenditure's Items.	Amount.
		Rs. a. p.			Rs. a. p.
1	College fees	1,31,024 0 0	1	Pay of Officers ..	1,31,340 0 0
2	Miscellaneous receipts ..	2,326 8 0	2	Pay of Establishment ..	79,139 0 0
3	Endowments (*a*) ..	151 0 0	3	Allowances and Honoraria	1,47,051 0 0
4	Sale proceeds... ..	164 8 0	4	Contingencies ..	1,17,365 0 0
5	Recoveries	*Nil.*	5	Scholarships (*b*) ..	13,887 0 0
6	Collection of payment for service rendered.	.....			
	Total ..	1,33,666 0 0		(*c*)	4,88,782 0 0

(*a*) Interest on Dr. P. M. Ketkar Prize Fund.

(*b*)

Rs.	
1,980	are debited to 37, Education.
1,535	are debited to 47, Miscellaneous Departments.
5,061	are debited to Government of India.
4,725	are debited to 38, Medical.
586	are debited to Government of Bombay (38, Medical and Government of India, on the basis of 50 : 50.
13,887	

(*c*) Of this expenditure 72·6 per cent. was met from the provincial funds and the rest from College fees and other sources.

B. J. MEDICAL COLLEGE, AHMEDABAD.

The College opened the 302 students as under on 1st January 1952 :—

Year.	Male.	Female.	Total.
1st M.B.,B.S.	121	9	130
2nd M.B.,B.S.	89	11	100
3rd M.B.,B.S.	60	12	72
	270	32	302

Out of 302 students, plus those newly admitted in the year 1952 (i.e. 302 old students, plus 60 regular, plus 13 Condensed Course students, plus 2 students admitted in the middle of the year i.e. 377), 24 (male) students were granted full freeships and 4 (male) were granted partial freeships during the year 1952–53 by the Surgeon-General with the Government of Bombay, Bombay.

During the year under report, 66 male and 9 female students were admitted and 4 students, who did not pay fees and stayed away from the College Classes, rejoined the College on payment of fees. At the end of the year there remained 346 students, in different classes as specified below :—

Year.	Males.	Females.	Total.
1st M.B.,B.S.	125	17	142
2nd M.B.,B.S.	107	8	115
3rd M.B.,B.S.	78	11	89
	310	36	346

36 Students have either left or been transferred from this college during the year under report. Out of 36, 31 passed the Final M.B.,B.S. examination, 2 gave up studies, 1 was transferred to the National Medical College, Bombay and 2 were put off the College roster, as they had four failures at the 1st M.B.,B.S. University Examination.

The following table shows the number of students, who appeared and passed 1st, 2nd and 3rd M.B.,B.S. examinations held by the Gujarat and Bombay University during the year 1952 :—

Gujarat University.

	Appeared.	
1st M.B.,B.S.—		
April 1952	68	42
October	37	18
2nd M.B.,B.S.—		
April 1952	38	31
October	21	19
3rd M.B.,B.S.—		
April 1952	56	9
October	61	19

Bombay University.

3rd M.B.,B.S.—		
April 1952	3	2
October	1	1

This College is affiliated to the Gujarat University from November 1950, for the courses leading up to the Final M.B.,B.S. examination and post graduate courses of M.D./M.S., B.Sc. (Medl.). This institution is also recognised for the post graduate courses and diplomas of the College of Physicians and Surgeons, Bombay.

The Local Inquiry Committee of the Gujarat University visited this institution on two occasions during the year under report. First on 11th July 1952 and recommended extension of affiliation for a period of 3 years for B.Sc. (Medl.) and M.Sc. (Medl.) courses in Anatomy, Physiology, Pharmacology and Pathology from 10th June 1952. It came again to inspect this institution on 18th August 1952 and recommended extension of affiliation for M.B.,B.S., M.D./M.S. courses for further three years from 10th June 1953.

The Local Inquiry Committee of the Gujarat University also inspected the Mental Hospital, Ahmedabad, on 31st July 1952 and recommended that hospital for recognition for further one year from 15th June 1953 for training students of the B. J. Medical College, Ahmedabad, in Mental Diseases.

The Inspectors appointed by the Medical Council of India visited this College and Hospital in April 1952 to observe facilities available here for under-graduate course of study and conduct of professional examinations held by the Gujarat University.

The construction of the New College and Hospital buildings continued its progress. This College and Hospital are now scheduled to be shifted in the new premises in April 1953.

The income and expenditure for the year 1952 are shown in the sub-joined form :—

Income	Rs.	*Expenditure*	Rs.
College Fees	1,03,169	Pay of Officers	97,941
Hostel Fees	8,978	Pay of Establishment ..	60,397
Miscellaneous receipts ..	1,284	Allowances and Honoraria ..	1,32,908
	1,13,431	Contingencies including Abstract grant and Equipment ..	2,34,139
		Buildings	5,943
		Scholarships	....
		Total Expenditure ..	5,31,328

MEDICAL COLLEGE, BARODA.

I. General.—The College completed its IV year during the year under report—

(*a*) This College is affiliated to the Maharaja Sayajirao University of Baroda. For students admitted in and after June 1952, the University has prescribed for the degrees of M.B.,B.S. a course of study for 5 ½ academic years to be divided as follows :—

One and half academic years for pre-clinical subjects.
Three academic years for clinical subjects.
Twelve months Post Examination Training.

The details of the Post examination training will be worked out later.

(*b*) The Board of visitors of the M. S. University of Baroda visited this College on 9th November 1952 and have submitted an exhaustive report on 22nd February 1953. It is very desirable that the recommendations should be implemented as soon as possible.

(*c*) The Sheth Ujamshi Pitamberdas Ayurvedic Research Unit started its work on the premises of this College on 15th November 1952. Its library consists of 1,600 books and the members of the Unit were most of the time sorting and indexing the books and chalking out their future programme of work. This unit works under the control of the University.

(*d*) *Dresser's Course.*—It is intended to start this course from June 1953, when the vacation departments resume their work. It is proposed to admit about four candidates to the course.

(*e*) Pandit Nehru drove past this College on 7th December 1952 and Raj Kumari Amrit Kaur visited the College on 29th March 1953.

(*f*) The College Council assembled on 17th June 1952 and on 23rd December 1952 to select Registrars and Housemen and to approve of the time tables.

II. Buildings.—(*a*) Buildings under construction :—

(*i*) The ground floor of the new Out Patient Department is nearly completed.

(*ii*) Alterations to the old European and Eurasian, Sisters' quarters into Principal's and Professors' quarters and the Indian Nurses' quarters into quarters for Intern students have been started.

(*iii*) Alterations to one big room of this College to house the Excise and Drugs laboratories are nearing completion.

(*b*) Works under consideration—

(1) Extension of the Mental Hospital.

(2) New Infectious Diseases Hospital.

(3) Alteration to Infectious Diseases Ward to be converted into quarters for Registrars and Housemen.

(4) Building of a Rasashalla on our grounds to facilitate the research work of the U. P. Ayurvedic Unit. This will be built by the University.

III. Students.—The number of students on roll on 31st March 1953 :—

Class.	Males.	Female.	Total.
IV Year	29	2	31
IV (October Batch)	8	1	9
III Year	27	1	28
III Year (Oct. Batch)	6	..	6
II Year (irregulars)	2	..	2
II Year	30	8	38
I Year	33	5	38
	135	17	152

One student was transferred from this College to the B. J. Medical College, Ahmedabad in the 3rd year on 18th November 1952.

IV. Examinations.—(*a*) *College.*—Terminal and Preliminary examinations were held for 1st, 2nd, 3rd and 4th year students, according to the rules laid down in G. L. No. 5956/33/53985-Q, dated 17th March 1951.

(*b*) *University.*—The Number of students who appeared in the examinations conducted by the M. S. University of Baroda in April 1953 were :—

(1) II M. B., B. S. .. .. .. 31 Students.
(2) I M. B., B. S. .. .. .. 38 Students.

V. (*A*) *Freestudentships.*—10 per cent. of the total number of students on roll were granted full freestudentship and 10 to 15 per cent. of the total number on roll partial (half) freestudentships—

Number of freestudentships	14
Number of freestudentships (to Backward Class students) ..	14
Number of half-freestudentship	19
Number of freestudentships suspended during the year due to failures at the examination—	
1st Term	9
2nd Term	17

	Rs.	a.	p.
Total value of free studentship ..	4,579	8	0
Total value of B. C. Freestudentship ..	2,425	0	0
	6,944	8	0

(B) *Scholarship.*—Scholarships and other financial concessions were awarded during the year under report as follows :—

	No.	Amount. Rs.
(1) Government Scholarships—Women Scholarship ..	1	840
Intermediate Scholarships—Women Scholarship ..	1	240
Sevakadar Scholarships—Women Scholarship ..	1	90
(2) Stipend to displaced students	3	1,533
(3) B. C. Scholarships from Government of India ..	3	999
(4) B. C. Scholarships from Government of Bombay		....
(5) From other sources viz., Railway Employees Children's Scholarship. Sayajirao Maratha Scholarship and Khadayata Scholarship.	6	1,581

VI. *Teaching* .—(*a*) There are at present two Medical, Surgical and Midwifery and Gynæcological Units and one Opthalmic and Paediatric units. Batches of students are sent to the respective units by turns.

The units of Ear, Nose and Throat and Skin and Venereal Diseases remained unstaffed for want of suitable candidates.

(*b*) Systematic lectures were delivered during the two academic terms as follows :—

	IV year students.	III year students.
Medicine	26	26
Surgery	56	36
Midwifery and Gynæcological ..	40	..
Anaesthesia	12	12
Venereal Diseases	10	10
Dermatology	12	12
Preventive medicine	40	..
Forensic medicine	40	..
Radiology	12	..

In Pathology and Pharmacology practicals also were conducted. Casualty, labour room duties and Post Mortems have also been attended to.

Lectures in diseases of the Ear, Nose and Throat were not delivered as no Honorary Surgeon was appointed.

The students in their IV year were sent to Bombay for training in Infectious Diseases and Vaccination for 3 weeks in May 1952.

First and Second Years.—Lecturers and practicals were carried out satisfactorily according to the syllabus prescribed by the University.

The Histology department was gradually taken over by the Anatomy department from the Physiology department during the course of the year.

VII.—Museums—

Anatomy—(including Embryology and comparative Anatomy).	Models—Anatomy	.. ..	39
	Embryology	..	62
	Specimens— Dry	.. ..	258
	Wet	.. ..	443
Pharmacology—(including Toxicology)	(1) Drugs	.. ..	220
	(2) Preparations of various firms and companies.		351
	(3) Toxicology drugs	..	101
			672
Pathology—	Models	..	5
	Specimens—Dry	.. ..	58
	Wet	.. ..	350
Preventive Medicine ..	Models	..	72

VIII.—Library—

	Rs. a. p.
The library hours were 10-30 a.m. to 5-30p.m.—	
Sum spent during the year	11,675 14 0
Total number of books in the library	3,062
Total number of Journals subscribed	42
Total number of books purchased during the year	352

IX. *Extra Curricular Activities.*—(*a*) The 4th year students were taken on an academic tour to Poona in October 1952. They visited the Preventive Medicine section of the Armed Forces Medical College, the Artificial Liimb Ftting Centre, the Water Purification Works, the Bairoba Pumping Station for Disposal of Sewage, the Mental Hospitals and Industrial School at Yerwada and the National Chemical Laboratories.

The University generously contributed Rs. 450 towards the expenses.

(*b*) A flag saluation ceremony was held on 26th January 1953.

(*c*) This College participated in the University week celebrations and exhibitions from 7th December 1952 to 13th December 1952. The exhibition was very popular.

(*d*) All members of the staff and students are members of the M. S. University Union. The fee for membership is Rs. 5 per month. The Union caters for out-door and indoor games and cultural activities.

(*e*) Annual sports of the College were held in December 1952.

(*f*) The Annual Social was held on the premises of the College on 15th February 1953. The students organised a good variety entertainment. Shrimati Hansa Mehta, Vice Chancellor of the M. S. University of Baroda, was the Chief Guest.

X. *Artist.*—During the year under report the artist prepared 105 drawings and charts to meet the requirements of various departments. The total number of charts in the College now are 371.

XI. *Hostels.*—There were 33 students in the Medical College Hostel.

21 Students were accommodated in the M. S. University Hostels (18 men and 3 women).

XII. Receipts and Expenditure—

Receipts. Rs.		Expenditure.	Rs.
74,909	(Excluding Hostel rent Rs. 2,356 which is credited to 39, Civil Works).	Salaries	1,25,859
		Allowances and Hon. etc. ..	57,433
		Contingencies and cost of equipments.	1,94,285
		Scholarships	945
			3,78,522

SIR C. E. M. DENTAL COLLEGE AND HOSPITAL, BOMBAY.

The number of students admitted to this institution for the B. D. S. Degree course of the University of Bombay is on the increase. In 1951 the total number of students was 71, while in 1952 it went up to 94. The following table shows in detail the number of students studying in different classes during the year 1952 :—

Year.	Male.	Female.	Total.
First Year ...	25	6	31 (1 old student.)
Second Year ...	24	3	27
Third Year ...	14	1	15
Fourth Year ...	21	.....	21
Total ...	84	10	94

The following figures represent the new admissions during the last two years :—

Years.	Number of students admitted.
1951	28
1952	30

The following is the result of the Final B. D. S. Examination held during the last two years :—

Month and year.	Number of students appeared.	Number of students passed.
May 1951 ..	13	12 (one student passed with distinction in 'B' Group).
October 1951 ..	5	5 (one student passed with distinction in Medicine).
April 1952 ..	6	4
October 1952 ..	10	9

One graduate on the staff of this institution during the year 1952 was awarded scholarship and has gone abroad (U. S. A.) for further training in Dentistry.

The Research work in Dentistry is carried out at the Sir C. E. M. Dental College and Hospital, Bombay. During the year under report, Dr. L. G. Shirwatkar, B.D.S. (Bom.), a graduate of this College, was continued as a Research Fellow by the Indian Council of Medical Research, New Delhi, and he continued carrying on research on bacteremia following extractions under the guidance and direction of Dr. K. L. Shourie, M.Sc., M.B.B.S., M.D.S., Ph.D., Prof. of Dentistry, Vice-Principal and Dental Surgeon, Sir C. E. M. Dental College and Hospital, Bombay. One more graduate of this college, viz. Dr. (Miss) K. N. Jai, B.D.S. (Bom.), was awarded research fellowship of Rs. 250 p.m. by the Indian Council of Medical Research, New Delhi, for two years with effect from 1st April 1952 for studies on the growth of face from infancy to maturity, under the guidance and direction of Dr. G. Coelho, Prof. of Children Diseases, G. M. C., and Dr. E. L. Shourie, Prof. of Dentistry and Dental Surgeon, Sir C. E. M. Dental College and Hospital, Bombay.

Clinical surveys have been carried out in some of the schools in Bombay, during the year 1952.

During the year Government and University of Bombay sanctioned the admission of 10 additional students to First B. D. S. Class of this College and 10 more students, i.e., in all 30 students were admitted to the First B. D. S. Class.

During the year Government sanctioned the scheme of organising the Course in Dentistry for Dentists registered in Part B (Temporary) of the Dentists Register for qualifying for registration in Part B (Permanent) of the same register.

Dr. C. T. Chudgar, L.D.S., R.C.S. (Eng.), was appointed as Hon. Lecturer in Dentistry and Dental Surgeon during the year 1952.

During the year 1952 one Technique Room has been built for carrying out technique work by the dental students of the Sir C. E. M. Dental College and Hospital, Bombay.

During the year 1952 the work in the Conservation, Prosthetics, Orthodontic and Extraction Departments, was carried out at full swing, because of increase in the number of students, as well as the increase of patients attending the Dental Hospital. All the above four departments were fully equipped with all the necessary instruments and materials. The students were regularly carrying out all types of dental work.

The following table represents the various dental work done during the last two years :—

Extraction Department.	Year.	Extractions of teeth under Local Anaesthesia.	Etractions of teeth under General Anaesthesia.	Total.
	1951 ...	14,582	3,039	17,621
	1952 ...	17,331	3,558	20,889

Conservation Department	Silver alle; fillings, scalings root cannal, Jacket crowns etc.	Dental X-Rays.
1951 ...	7,424	2,837
1952 ...	8,226	3,856

Prosthetic Department ...	Year.	full and partial dentures, repairs to dentures etc.
	1951 ...	745
	1952 ...	866

Orthodontic Depar ment ...	Orthodontic appliances given and patients attended to.
1952	726

Out patients	Year.	Number of new patients attending the outdoor.			Daily average number of patients attending the outdoor.
		Males.	Femles.	Total.	
	1951 ...	10,648	5,134	15,782	50·42
	1952 ...	12,671	6,111	18,782	61·78

Summary ...	Year.	Number of new cases attending the out-door.	Number of old cases attending the hospital.	Total cases attended.	Daily average number of cases treated.
	1951 ...	15,782	26,022	41,804	133·56
	1952 ...	18,782	30,893	49,675	163·4

The following additional equipment was purchased during the year 1952 :—

4 Dental chairs.

2 Lockers.

8 Step-down transformers.

In addition to the above, the following were purchased from the military disposal authorities :—

31 Steel Cabinet instruments.
21 Electric sterilizers.
12 Press Flasks.
1 Electric Sterling Dental Lathe.

1 refrigerator was also added to this hospital.

Third Year M.B.B.S. students attended the Dental Hospital to receive instructions in dental treatment during the year 1952.

Statement showing the receipts and expenditure relating to the Sir C. E. M. Dental College, Bombay, for the financial year ending 31st March 1953.

Receipts.	Rs. a. p.	Expenditure (38, Medical).	Rs.
College fees	25,951 8 0	Pay of Officers	30,277
Income from endowments ..	*Nil.*	Pay of Establishment ..	10,148
Miscellaneous—		Allowances, Honoraria, etc. ..	28,947
Miscellaneous fees, sale-proceeds, breakage, etc.	*Nil.*	Contingencies	8,205
		Scholarships	*Nil.*
Total ..	25,951 8 0	Total ..	77,577

RAMBILAS ANANDILAL PODAR MEDICAL COLLEGE (AYURVEDIC), WORLI, BOMBAY 18.

The R. A. Podar Medical College (Ayur.), Bombay, is now in the 11th year of its life and is making steady progress. The total number of students in the year under report was 230 as against 227 in the previous year :—

Class.	Number of students.
I Year	54
II Year	64
III Year	55
IV Year	57
Total ..	230

2. Since June 1952, a degree course—G.F.A.M. (Graduate of Faculty of Ayurvedic Medicine)—has been introduced. As usual, there was a keen competition for admission to this College. There were about 170 applicants for admission, out of which only 54 were admitted. This year, qualification for admission was raised to Inter Science (B Group).

3. The results of this College at the Faculty examinations were satisfactory. They were as under :—

Year.	April 1952.		October 1952.	
	College result.	Faculty result.	College result.	Faculty result.
	Per cent.	Per cent.	Per cent.	Per cent.
I Year	81·25	57·28	81·81	64·88
II Year	65·3	38·72	59·09	52·52
III Year	84·61	90·47	86·36	88·07
IV Year	63·79	56·63	41·17	41·79

4. *Scholarships and Freeships.*—There are four Government Scholarships of Rs. 15 per mensem each with freeships at this College. According to conditions of donation, 10 per cent. freeships were granted to various deserving students of the College.

5. *Library.*—The College has a small library with a reading room. At present there are 1,701 books in the library. The library has also 15 medical and other journals—and three newspapers (one Hindi and two English).

6. *Sports.*—During the year under report, the students played various games both indoor and outdoor. There being no good play ground of this College, students activities in sports are hampered.

7. *Social Activities.*—A good many debates on various subjects were held in which both the students and the members of the staff took active part. Some film shows on medical subjects were also arranged. Owing to the sad demise of the donor, the College social gathering could not be celebrated. However, the prize distribution function was carried out under the presidentship of Dr. B. B. Dixit, M.B., M.R.C.P.R., D.P.H., Ph.D., F.N.I., F.R.S., Surgeon General with the Government of Bombay, Bombay.

8. The College has no hostel of its own. This causes great inconvenience to the students. A few seats are reserved in the Students' Hostel, Bandra and Ladies' Hostel of the Grant Medical College, Bombay. As these hostels are situated far away from this College, it becomes very inconvenient for the students to attend the College, and Hospital duties.

9. *Income and Expenditure.*—The receipts and expenditure of the College for the year 1952–53 were as given below :—

Receipts.			Expenditure.		
Items.		Amount.	Items.		Amount.
		Rs.			Rs.
College fees	..	24,717	Pay of Officers	..	15,784
Miscellaneous Charges	..	76	Pay of Establishment	..	23,447
			Allowances and Honoraria	..	19,518
			Contingencies	..	13,272
			Scholarships and Payment o/c. Practical instructions to students		2,385
	Total ...	24,793	Total	..	74,406

HAFFKINE INSTITUTE, BOMBAY.

General.—During the year under review, the Institute continued to maintain a steady progress, both in the field of research and manufacture of biological and chemotherapeutic products. During the earlier half of 1952, Dr. P. M. Wagle, Director of the Institute, visited the U. S. A. on a Fellowship offered by the W. H. O. and spent nearly five months visiting the varius research Laboratories and acquired very valuable knowledge and experience on the various aspects of medical research and its organisation. In July, 1952, Dr. D. W. Soman, Assistant Director Department of Viruses, including Rabies, was offered a short-term W. H. O. Fellowship to attend the International Rabies Seminar Conference held in Coonoor South India. In October, 1952 Dr. D. C. Lahiri, Assistant Director, Department of Anti-toxins and Sera, attended the W. H. O. Experts Committee Metting on Biological Standardisation held at Geneva and participated in the conference on Production of Diphtheria and Whooping Cough Vaccines held at Dubrovnick. As a mark of honour for the great part the Institute has been playing in the control of Plague, the W. H. O. held its meeting of the Experts Committee on Plague in the Haffkine Institute in December 1952.

Department of Vaccine.—During the year, the demand for plague and cholera vaccines fell more steeply than during the previous year, but the low demand is an evidence of the low incidence of plague and cholera brought about by D.D.T. campaigns launched in the various State of India.

The following quantities of vaccines were issued during the year :—

Plague Vaccine	...	...	...	4·7 million m.l.
Cholera Vaccine	...	...	...	3·8 million m.l.
T. A. B. Vaccine	...	...	...	3,00,000 m.l.

Department of Anti-toxins and Sera.—The year 1952, was the peak year of production. As against the 110 horses used during 1951, 247 horses were used during 1952 of which 76 horses were under preliminary immuni ation. 7,542,000 m.l. of blood was collected altogether. This yielded 5,122,000 m.l. of plasma and out of this, 8,31,000 m.l. of concentrated Sera was processed as against 6,00,200 m.l. during the year 1951. Correspondingly, the sales also went up by 25 per cent.

more than during 1951. All these were possible because of the additonal Farm hired at Pimpri near Poona for housing larger number of horses. During the year, the following anti-toxins and Sera were issued by the Department for use in man.

Statement of Anti-toxins, Sera and Toxoids supplied during 1952.

Serial No.	Name of Sera and Toxoid.	Quantity supplied	
		in ampoules.	in millilitres.
1	*Tetanus Anti-toxin*—		
	(*a*) Prophylactic 3,000 I.U. in 2 c.c.		363,958
	(*b*) Curative 10,000 I.U. in 5 c.c.		7,980
	(*c*) Curative 20,000 I.U. in 10 c.c.		108,360
	(*d*) Highly concentrated 20,000 I.U. in 4 c.c. ..		56,524
2	*Diphtheria Anti-toxin*—		
	(*a*) Prophylactic 1,000 I.U. in 2 c.c.		4,258
	(*b*) Curative 5,000 I.U. in 5 c.c.		3,010
	(*c*) Curative 10,000 I.U. in 10 c.c.		1,32,300
	(*d*) Highly concentrated 10,000 I.U. in 5 c.c. ..		5,695
3	*Gas-Gangrene Anti-toxin*—		
	(*a*) 3,000 I.U. Welchii Anti-toxin in 10 c.c. ..		72,520
	(*b*) 9,000 I.U. Welchii 4,500 I.U. Septique and 9,000 I.U. Oedematiens Anti-toxins, in a volume not exceeding 15 c.c., highly concentrated and purified.		5,025
4	Anti-plague Serum 20 c.c.		1,040
5	Lyophilised Polyvalent-Anti-snake Venom Serum 10 cc.		71,090
6	*Anti-dysentery Serum*—		
	(*a*) Natural 20 c.c.		1,260
	(*b*) Concentrated 4,000 I.U. in 5 c.c.		210
7	*Tetanus Toxoid*—		
	(*a*) 10 c.c.		170
	(*b*) 5 c.c.		710
	(*c*) 1 c.c.		856
8	*Diphtheria N. A. F. T. Toxid*—		
	(*a*) 5 c.c.		185
	(*b*) 1 c.c.		184
9	Lyophilised Schick Test Toxin for 25 tests ..		....
10	Normal Horse Serum 10 c.c.		2,450

Department of Entomology.—In addition to attending to all routine work in connection with the identification of fleas and rodents referred to us, the Department undertook the rearing of Indian poisonous snakes with a view to increasing the venom production sufficient to meet the requirements of the Institute. The Indian Council of Medical Research sanctioned an Enquiry to be conducted at the Institute with a view to study their breeding habits in captivity and these experiments are underway in the newly built live snake farm. In addition, public health personnel of the State were given training in plague and plague preventive measures in two sessions. Experiments were done with Dethmor (Warfarin), as well as "ratin virus" (Salmonella enteritides) and it was found that the latter did not kill any of the common Bombay rats. During the year altogether 11,27,784 rats, both dead and alive, were examined for the detection of plague infection.

Department of Clinical Pathology.—The Department of Clinical Patahology was reorganised during the year under report. The work of collection, storage and issue of snake venoms was transferred to the Department of Entomology. The histology section, which was accommodated in the Nutrition Department, was brought down and attached to this Department. All the essential tests for the diagnosis of infectious diseases, such as diphtheria, dysentry, cerebrospinal fever enteric group of fevers, typhus, plague, cholera, etc., were carried out free of charge. During the year, 26,214 clinical tests were performed in the laboratory for serological bacteriological, biological and microscopic examinations. Under the Typhoid Scheme, sanctioned by Government, 864 calls were attended to and blood cultures and widal tests were performed and reported upon. Positive cases, which were found to be about 35 per cent., were reported to the Executive Health Officer, Bombay Municipality, to enable him to take suitable preventive measures immediately. It was observed that the incidence of typhoid is seasonal in Bombay City and the incidence was heavy during the months May to August. The manufacturing unit of Diagnostic Reagents continued to prepare and supply various reagents for diagnostic purposes, and the overall issues showed a considerable increase in sales over the previous year.

Department of Pharmacology.—1952 was an year of intense activity and altogether 1,524 samples of drugs were tested, as against 1,284 tested during 1951. The drugs tested covered a wide range of pharmacopial and non-pharmacopial preparations and some of them were received from other States, such as East Punjab, Uttar Pradesh, Delhi, Madhya Pradesh, West Bengal and Cochin. Of 1,524 samples tested 517 were not of standard quality.

Under the Drugs Act of 1940, 976 samples were tested, of which 598 were from the State of Bombay and it was found that about 37 per cent. of these samples did not conform to the claims made on the lables.

Out of 270 multi-vitamins preparations tested biochemically and microbiologically, nearly 139 failed to conform to the declared potency. Analysing vitamins by flurimetric or colorimetric methods was very difficult, but this was overcome by adopting microbiological assay methods.

Antibiotics, injec'ibles, catguts, antitoxins, vaccines and surgical dressings were tested bacteriologically and serologically. 102 samples of antibiotics and 16 samples of antitoxins were tested. Most of antitoxins tested were Tetanus and only in 2, the potency was less than the declared amount.

Nearly 350 products were tested for their sterility. None of the samples of cotton, gauze or lint claimed to be sterile, were free from bacterial contamination.

The Department also gave technical advice to commercial firms wherever needed and devoted spare time for research on pharmacological problems.

Department of Biochemistry.—The total number of analyses carried out during the year was 6,552, as against 4,264 for the previous year and 2,762 for the year 1950. These consisted of 2,637 on blood, 1,764 on C.S.F. and Body Fluids, 149 on urine, 1,596 on milk and 397 special tests, such as Basal Metabolic Rate, Glucose Tolerance Test, Gastric analyses and Kidney Function tests.

Since November 1951, there has been a tremendous increase in the number of milk samples received for examination. So also, the number of routine samples received for blood proteins, urea, cholesterol, sodium and potassium and special

tests, such as Glucose Tolerance Test, Gastric analyses, Kidney Functions and Lange's test, has increased almost 2–3 fold, as compared to that of last year.

More and more upto-date laboratory methods of biochemical analysis are being introduced with a view to improve upon the accuracy of results. An excellent modified procedure has been developed for the estimation of Serum Sodium, using 0·1 cc. of sample.

Department of Virus Diseases Including Rabies.—This Department continued its normal activities of preparation of large quantities of rabies vaccine and its distribution to Antirabic Treatment Centres in and outside the State of Bombay, affording treatment for dog-bite cases and rendering aid in the diagnosis of Rabies in Animals.

During the year, 7,779 persons applied for antirabic treatment, of whom 7,092 completed full course of treatment and the rest were advice cases.

The production and supply of rabies vaccine, in the form of treatments, had to be considerably increased, because the number of authorised treatment centres had increased. In addition to the supply of rabies vaccine to recognised centres, the Government have now permitted the supply of vaccine even to private Registered Medical Practitioners after the case is classified at the centre. Altogether, 2,339,740 m.l. of antirabic vaccine was manufactured and 2,105,674 m.l. was supplied to various antirabic treatment centres during the year 1952. The Government of India Yellow Fever Diagnostic Unit remained attached to the Department and continued its main activity of inoculating the passengers going abroad and through Yellow Fever Areas with the Yellow Fever Vaccine.

During the year, the research work was focussed on problems connected with Rabies, Influenza, Q Fever and Small-pox.

Blood Bank.—During 1952, the department continued its normal activities, but owing to an unfortunate accident to the Medical Officer and the ambulance, while on a visit to Nasik for blood collection, the mobile unit could not work for four months. Altogether, 2,801 members donated blood during 1952, of which 442 were from jail prisoners. In all, 2,588 blood donors were screened for "fitness" and of them, 1,173 donors were rejected. For Kahn Test 2,536 blood samples were tested, of which 499 were positive, i.e. about 22·5 per cent. The total amount of blood processed was 674·6 litres and it yielded 375·00 litres of dried plasma. During the year, 1,684 bottles (250 cc.) of dried plasma were supplied to registered medical practitioners, hospitals and nursing homes. Side by side with the manufacture of plasma, investigations were carried out on the isoimmunisation due to Rh factor.

Department of Chemotherapy Sulphanamide section.—The manufacture of Sulphathiazole was continued during the year under report and improved upon. The dearth of essential chemicals, which we met with during the previous year, was surmounted during the middle of last year and the production was stepped up and the tablets were supplied to all Government hospitals and dispensaries, including private registered medical practitioners. Altogether 18,56,000 of sulphthiazole tablets were sold during 1952. Other products manufactured and supplied by this Section were Sulphetrone, Hydrocarpus oil, Pemon and Phynyl Mercuric Nitrate. The following are the quantities manufactured and supplied :—

(*i*) Sulphetrone	..	..	..	1,70,900	m.l.
(*ii*) Hydrocarpus oil	..	..	..	2,26,500	m.l.
(*iii*) Pemon	..	..	..	5,250	lbs.

Side by side with the manufacture of sulphathiazole tablets, experiments were made and a detailed procedure for the manufacture of sulphamerazine was worked out and standardized. In addition to this, a large number of new compounds were synthesised and results of the antimalarial and antibacterial activities of the same are being studied.

Vitamin Section.—During the year, this Section manufactured altogether 9,069,450 tablets of various vitamin products. The question of selling the tablets manufactured by the Institute through wholesale agents on commission basis, is still under consideration and when it is finalised it is hoped that the sale of vitamin tablets will be considerably augmented.

Scientific Enquiries, Research Scholarships and Laboratory Training.—Under the auspices of the I.C.M.R., New Delhi, four scientific enquiries were conducted at this Institute, with the staff and grants sanctioned by the said Council. These were (*i*) Plague Researches, (*ii*) Enquiry on the Chemotherapy of Malaria, (*iii*) Enquiry on the Role of Nutritional Factors in Hepatic Cirrhosis, and (4) Enquiry on the Study of Indian Poisonous Snakes. In addition to these, three scientific scholarships fellowships sponsored by the National Institute of Science, New Delhi, Unichem Laboratories, Bombay, and Indian Council of Medical Research, New Delhi, were attached to the Institute during the year 1952. Apart from these, there were two other research scholarships sanctioned by the Government of Bombay. In view of the excellent facilities that the Institute has, the Government sanctioned the entertainment of a few students as paying scholars for their post-graduate degree and under this scheme, six students were admitted during the year under report. Lastly, mention also should be made that seven scientific personnel were given practical training in the laboratory in certain special subjects of study.

General.—On the whole, the Institute maintained alround progress both in the field of manufacture and research and continued to render very valuable service to the public. A statement of receipts and expenditure for the year 1942 is attached herewith.

Statement showing the Income and Expenditure of the Haffkine Institute, Parel, Bombay 12, from 1st January 1952 to 31st December 1952.

Income.			Expenditure.		
XXVII—Medical.		Rs.	38. Medical—H. Bacteriological Laboratories.		Rs.

THE DEPARTMENT OF CHEMICAL ANALYSER TO GOVERNMENT, BOMBAY.

The following is a short summary of the work performed by the Chemical Analyser to Government, Bombay, during the year 1952.

	Total No. of cases investigated.	Total No. of articles examined.
Cases of human poisoning	5,807	7,462
Cases of animal poisoning	54	270
Stain Cases	1,402	7,079
Miscellaneous Medico-legal cases	592	1,696
Samples from Excise Department	....	11,731
Other Government work	....	5
Miscellaneous samples	....	572
Total ..	7,855	28,815

The statement of income and expenditure for the year 1952 is furnished below :—

Receipts.			Expenditure.		
Items.		Rs.	Items.		Rs.
Fees from private parties	..	19,557	Pay of Officers	..	18,865
			Pay of Establishment	..	17,169
			Temporary Establishment	..	1,729
			Allowances	..	15,692
			Contingencies	..	2,867
Total	..	19,557			56,322

28,815 articles were examined. The cost of analysis per article works out to Rs. 1-14-0.

The details of the working of the Department have been furnished in the Annual Report of the Chemical Analyser to Government for the year 1952.

DEPARTMENT OF NUTRITION.

(A) Public Health Nutrition Work.

(1) *Diet Survey.*—The work of comprehensive statistical analysis of the dietetic data and the nutrition survey findings of the diet survey, in a middle class area ("D" Ward) in Bombay City, referred to in the last annual report, is just completed.

(2) *Nutrition Work in Bardoli Tehsil (District Surat).*—At the request of the Secretary, Gandhighar Committee, the Assistant Director and Medical Officer visited Swaraj Ashram, Vedchhi, to acquaint the experienced rural workers of the Shibir (Camp) with the public Health aspects of rural nutrition work.

The basic principles involved in a "Balanced Diet" and the planning of institutional diets were explained. A series of talks on different aspects of nutrition, were given by the Assistant Director (in English) and also by the Medical Officer (in Gujarati), to the workers.

A nutrition survey was undertaken to serve as a demonstration to the trainees.

(3) *Community Feeding* (*i*) *Nursery Schools.*—(*a*) During the year, a Senior Nutritionist visited one local nursery school to study the existing dietary conditions. The same Nutritionist also visited a local "Well-baby" Clinic to study their infant feeding problems.

(*b*) After a thorough study of the existing diets and economic conditions, a new set of diet scales, based on the special requirements of the infants, toddlers and children of different age groups, were recommended at each of the five nursery schools in Greater Bombay.

(*c*) After a study of the existing diets, a new set of diet scales was recommended to an industrial Creche in Greater Bombay.

(*ii*) *School Feeding.*—(*a*) A Senior Nutritionist visited five new schools to study the existing feeding arrangements, as also to explore the possibility of instituting suitable midday meal or nutritious snacks.

(*b*) In order to encourage school-feeding, a list of nutritious snacks was sent to ten schools in Greater Bombay.

(*iii*) *Canteen Feeding.*—(*a*) A Senior Nutritionist visited ten industrial concerns (five in the Districts and the rest in Greater Bombay) to study the dietary conditions of their canteens.

(*b*) After a study of the existing full-meal and the set-up of the individual canteens, recommendations were made to 14 industrial canteens in Bombay City.

(*c*) A Senior Nutritionist visited the Police Mess, Thana, to find out whether the recommendations made in respect of the meals were implemented or not, and whether any changes were necessary in view of the charge in the food rations.

(*d*) "*Square meal*" *Canteen.*—As reported previously, periodical visits were paid to the above canteen in Bombay, in order to help maintain the nutritional standard of the meal served daily to about 500 members of the clerical staff of the Bombay Secretariat. In addition to using subsidiary foods ("wari", tapioca, etc.), toned milk is now being used in the place of reconstituted skim milk, for the preparation of curds and buttermilk.

(*iv*) *Institutional Diets.*—(*a*) After a study and analysis of diets (four in all) of the three residential institutions of Ahwa (District Dangs), recommendations have been separately sent to the respective managements.

(*b*) After a study and analysis of diets of ten messes (four vegetarian and six non-vegetarian) of the Victoria Jubilee Technical Institute, Bombay, a set of two diet scales (one vegetarian and another non-vegetarian) was sent to the Principal of the College, for introduction in all the messes.

(*c*) As desired by the Medical Officer in charge Children's Home and Home for Mentally Deficient Children, Chembur, the existing diet scales were studied and the 'Specimen Diet' for the Certified Schools of Bombay State, prepared by this Department earlier, was recommended.

(*d*) A comprehensive report on the diet study of Swaraj Ashram at Vedchhi in Surat District was sent to the management of the Ashram Vedchhi.

The Ladies Hostel attached to the Grant Medical College, Bombay, was visited to study the diet of the above mess.

(*v*) Heights and weights of infants and children as a part of the study of the nutritional status of infants and children, a senior nutritionist collected data on their heights and weights during her visits to 11 nursery schools and a maternity home in Bombay City.

(4) *Nutrition Education and Publicity—Nutrition Education Stalls.*—(*a*) These were put up in six exhibitions organised by the management of the following :—

(*i*) The International Industries Fair, Bombay.
(*ii*) The Seventh All India Dental Conference, Bombay.
(*iii*) The Health Exhibition at Bal-Vihar, Bombay.
(*iv*) Visual Aids Exhibition, Ahmednagar.
(*v*) Dadar Cleanliness Week Exhibition, Bombay.
(*vi*) Health Week Exhibition, Kurla, Greater Bombay.

(*b*) Similar stalls were put up at three labour welfare centres in Greater, Bombay.

(*c*) W. H. O. Day Celebration. In collaboration with the Health Department Bombay Municipality, this Department organised an exhibition at the Agripada Rahivasi Seva Mandal, Bombay, in connection with the above celebration on the 7th April 1952. This Department exhibited some posters and charts relating to food hygiene, the basic principles of nutrition and the subsidiary foods.

Arrangements were made to sell brochure "A road to Good Nutrition", as also to distribute leaflets on "Balanced Diet" and "Culinary Corner" to the public at the above exhibition.

(*ii*) Demonstrations: (*a*) With a view to popularise subsidiary foods three recipes have been prepared as follows:—

(1) "Chapatis", Out of red pumpin and wheat flour (proportions being 1 : 4).

(2) Salad: Out of prouted pulses such as "mug" "matki".

(3) "Chutney": Out of red pumpkin pools and Bengal gram.

The above recipes have been demonstrated at nine labour welfare centres in Bombay. In our experience, the above preparations are relished by the visitor at such demonstrations.

(*b*) The same senior nutritionist arranged demonstrations of two new recipes, viz., Carrot Salad and Cabbage Salad and gave two lectures in Marathi—one on the "Function of Foods" and the other on the "Nutritional Requirements of Mothers" at each of two more labour welfare centres, in Bombay.

(*iii*) Publication of Scientific Papers: The staff of the Department prepared and submitted two papers as follows: for publication in Scientific Journals:—

(*a*) An article on "Advances in Clinical Nutrition Research" was prepared by the Assistant Director and the Medical Officer for the Journal of the Association of the Medical Women of India.

(*b*) An article on "The Principles and Applications of Cromatography" was prepared by the senior Biochemist for the Indian Journal of Pharmacy.

(*c*) A Scientific article on the "Place on Subsidiary Foods in the Diet" was prepared by the Medical Officer for inclusion in the Annual Annapoorna Anniversary Souvenir of the All India.

(4) All-India Women's Food Council, Bombay.

(*iv*) *Lectures.*—(*a*) A series of four lectures in Marathi were given to the industrial workers at each of the five Labour Welfare Centres in Bombay, by the four Senior Nutritionists.

(*b*) A Senior Nutritionist read a paper on the 'Child's Diet' at the invitation of the Bombay Presidency Women's Council at their 'Child Welfare Conference', held in Bombay in early 1952.

(*v*) Training Courses (All-India Women's Food Council):

(*a*) At the invitation of the Vice-Chairman of the All-India Women's Food-Council (Bombay Branch), the staff of the Department co-operated in the first training course (April to June) in Dietetic and Catering.

The Assistant Director inaugurated the course by suitably addressing the teaching staff and the students, on the "Practical Problems of Nutrition" at the Bharatiya Vidya Bhavan, Bombay.

A popular talk and demonstration on a 'Balanced Diet' and a scientific talk on the 'Nutritional Disease', were given to the same students, by the Medical Officer.

In addition, a Senior Nutritionist of the Department, as a member of the teaching staff for the course, gave a series of four lectures on the 'Theory and Practice of Cooking".

(*b*) The staff of the Department also co-operated in the second course (October to December 1952) in Nutrition and Catering.

The Medical Officer and a Senior Nutritionist, as members of the teaching staff of the above course, gave seven lectures each, to the students at the Annapoorna Cafetaria, Bombay.

During their visit to the Department, the same students were explained the working of the Department and were shown films on Nutrition.

At the request of the Organiser of the Course, the Assistant Director met the students at the Annapoorna Cafeteria, Bombay, and addressed them on "The Role of Caterers in the Planning of Nutrition in India".

(B) Clinical Nutrition Work.

(1) '*Nutrition Clinic*' (*J. J. Group of Hospitals*).—As mentioned previously, the clinical work in the 'Clinic' mentioned above, has been continued.

(*a*) In all, 41 patients—25 males and 16 females—were admitted during the year.

(*b*) Seven patients from the medical wards of the J. J. Group of Hospitals were referred to the 'Clinic' for ex-amination and advice regarding treatment.

(*c*) In all, 40 patients were discharged during the year. 26 of them cured; 8 relieved of their main complaints; 2 were discharged otherwise; 2 against medcal advice and 2, as they were diagnosed as cases of pulmonary tuberculosis.

(*d*) In addition, 4 patients were transferred to the different wards of the J. J. Hospital.

(*e*) One patient died soon after being admitted to the 'Clinic' from the medical ward of the same hospital.

(*f*) A male patient showed remarkable improvement in his complaints of dimness of vision during day time and night blindness, with the administration of vitamin A concentrate (25,000 I. U. a day), for about a week.

(2) *Clinical Nutrition Surveys.*—(*a*) A rapid clinical nutrition survey of the school children (about 230) at Swaraj Ashram, Vedchhi (Dist. Surat), was carried out in order to serve as a demonstration to the Shibir Trainees.

(*b*) The Assistant Director accompanied by the Medical Officer and a Senior Nutritionist visited the T. S. 'Dufferin' to study the diet and food service conditions on board the ship.

A rapid clinical nutrition survey of 'Dufferin' cadets (about 100) was also carried out.

(*c*) In connection with the new 'epidemic' disease in Poona and Ahmednagar District, the Assistant Director visited the above Districts twice to study the cases affected by the above disease.

A complete report on the situation, in this connection, was submitted to the Government.

Besides, chemical analysis of four samples of 'Bajri' (brought from the same District) was carried out by the Laboratory staff.

(3) *Displaced Persons' Colonies.*—The staff of the Department continued to visit the Displaced Persons' Colonies with a view to study the nutritional status of the displaced persons. Considerable improvement in their health and nutritional status had been observed, as judged by the quarterly statistical returns from the different Displaced Persons' Colonies.

As part of the above field work, suitable cases were selected, for admission to the 'Nutrition Clinic' mentioned above.

(C) Laboratory Work.

(1) *Routine Analysis of Foodstuffs and Food Products.*—The laboratory staff carried out the following analytical work :—

(*i*) In all, 139 samples of foodstuffs were tested with a view to find out their suitability or otherwise for human consumption.

(*ii*) In addition, five samples of different food products were received, for chemical analysis.

(*iii*) Out of twelve samples of fats (butter-11 and ghee-1 examined, three samples butter-2 and ghee 1) were found adultered.

(*iv*) One sample of 'bajri' was analysed for its thiamine content; four of wheat flour, for proximate principles and one of maize starch, for its indentity and purity.

(*v*) Two samples of 'palm gur' were tested for their formaldehyde content.

(*vi*) Apart from the above analytical work, the following investigations of the in-patients of the 'Nutrition Clinic' were undertaken.

Thirty-nine complete blood counts; 33 estimations of plasma proteins; 13 examinations of stools and one urinalysis.

(2) *Nutrition Research.*—(*i*) A detailed report on the result of Animal Feeding Experiment with 'Vanaspati' coloured with orange S S and Sudan MP, was submitted to Government.

(*ii*) Nutritional evaluation of foodstuffs commonly consumed in Bombay State: The analytical work in connection with the above study has been undertaken during this year.

During the year, the proximate principles, minerals, (Ca, P and Fe), carotene, 'B' Vitamins (B 1, B2 and Niacin) and vitamin C, of 14 fruits and vegetables, have been estimated.

(*iii*) The study of amino-acid composition of four commonly consumed pulses, has been in progress.

During the year, ten amino-acids have been determined in them.

(*iv*) Vitamin A level in blood was estimated in 23 samples of plasma.

(*v*) Vitamin A absorption tests were carried out in three normal human subjects.

(*vi*) Vitamin A tolerance test was carried out on a few in-patients of 'Nutrition Clinic.'

(*vii*) Cultures suitable for microbiological assaying of vitamins, have been prepared and sent to two laboratories—one in Hyderabad Dn. and another in Baroda.

(*viii*) Riboflavin was determined in one sample each of whole dry milk powder and egg powder by using a new strain of lactobacillus (L. casei 2090) with the standard strain (L. Casei 2090) as a control.

(*ix*) Nutritional Requirements of Lactobacillie (L. casei 84): As a part of the above study, the suitability of a new strain (L. casei 84), has been investigated by determining riboflavin in two pulses (red gram and black gram), using L. case E 2090 as a control.

(3) *Antibiotics—and Growth.*—In view of the interest evinced by the then Hon'ble Minister (Health) on the above subject, the Assistant Director suggested a tentative plan for animal experimental work to elicit the growth-promoting properties of Aureomycin and vitamin B12 on calves and chicken.

(D) Miscellaneous.

(1) The Assistant Director as the W. H. O., Nutrition Consultant to the Government of Burma, extensively toured Burma for over four months.

(2) As a member of the Expert Committee on Nutrition of World Health Organisation, the Assistant Director attended a Jt. FAO/WHO meeting in Gambia, West Africa, in November-December 1952.

The main topic discussed at this Conference was Protein malnutrition and under nutrition in mothers and children, as a world problem.

(3) *Formulation of Diet Scales and Menus.*—(*i*) Based on the remarks of about 20 nursing establishments of the State, the diet scales and menus recommended in early 1951, were revised.

(*ii*) *Mental Patients.*—After a thorough study of the existing diets (six vegetarian and four non-vegetarian) in the Mental Hospital at Thana, Poona, Baroda and Ratnagiri, the following set of recommended diet scales were submitted to Government for approval.

(*a*) Full Diets (for General Class i.e., non-paying patients).
(*b*) Full Diets (for General Class i.e., non-paying patients).
(*c*) Light Diet and
(*d*) Milk Diet.

(*iii*) *Leprosy Colony Patients.*—After a similar study of existing diets (five vegetarian and six non-vegetarian) in the Leprosy Colonies in Bombay City, Poona, Baroda, Kolaba, Kolhapur and Ratnagiri, a set of two recommended diets scales (one vegetarian and another non-vegetarian) for ambulatory patients of Leprosy, was submitted to Government for approval.

(*iv*) *Leprosy Hospital Patients.*—For the hospitalised patients of Leprosy, the set of four diet scales, viz. two full Diet, Light Diet and Milk Diet, now introduced in all the Civil Hospitals, has been recommended.

Suitable menus and instructions accompany each of diet scales, mentioned in ii, iii & iv.

(*v*) A set of new diet scales for European patients in Civil Hospitals, along with menus, has been submitted to the Government.

(*vi*) In continuation of the recommendations regarding Food Adjuncts (condiments and salt) and Fuel for the above diet scales, recommendations for the supply of food to the patients on the day of admission, as well as 'Extras' (to the above diet scales) permissible to the *paying* patients-both European and Indian, were submitted to Government.

(*vii*) As the schedule of diets prepared for Civil Hospitals by the Department of Nutrition is now introduced in all the Civil Hospitals of the Bombay State, the staff of the Department have commenced the work of visiting the hospitals with a view to check the issue of different diet scales admissible to the in-patients.

During the year, visits have been paid to seven Hospitals in Bombay—three in Greater Bombay, two in Poona District, one in Sholapur District and one in Thana District.

Wherever necessary, suggestions regarding better management of diets and diet services were given on the spot.

(*viii*) In response to a request from the Superintendent, J. J. Group of Hospitals, Bombay, regarding the ingredients and their quantities to be used in the prescribed allowance of condiments and spices of the hospitals diets, suggestions were made to him.

(*ix*) Six recipes were experimented upon in connection with the use of dried whole egg powder as a substitute for fresh eggs, in the hospitals diets.

These recipes were tried and found suitable for adoption in hospitals.

(*x*) A Senior Nutritionist visited the general kitchen of the J. J. Hospital, with a view to study and improve the cooking methods.

(*xi*) At the request of the Dean, K. E. M. Hospital, Bombay, a visit was paid by a Senior Nutritionist to the Hospital, in connection with the study and improvement of the hospital diets.

(4) *Nutrition Relief and Measures.*—UNICEF Skim Milk Distribution scheme (1951). The entire scheme mentoned above, came to a close at the end of December 1952.

(*iii*) UNICEF Skim Milk Distribution Scheme (1952–53) : During the year UNICEF authorities offered 40 short tons skim milk powder to be distributed to the undernourished children below 14 years and expectant and nursing mothers, in areas where famine or near-famine conditions prevail.

A tentative PLANOPS for the above scheme was submitted to the Director General of Health Services, Government of India, New Delhi.

The consignment of 40 short tons was received in the 2nd week of December 1952 in Bombay.

In view of the acute famine conditions prevailing in many Districts, immediate arrangements were made to despatch the above milk powder to the Districts as specified in PLANOPS, mentioned above.

(*iii*) '*CARE*' *Food Packages.*—The Christain Association for the Rehabilitation of Europe (CARE) of U. S. A. offered over 200 Food Packages for free distribution

to the inmates of the Backward Class Hostels. Each packet contained skim milk powder (10 lbs.) butter (5 lbs.) cheese (4 lbs.) and dried peas (5 lbs.). Soon after the distribution of the Food packages to the various hostels (in Thana District) a Senior Nutritionist visited seven hostels to give detailed instructions regarding the use of the above mentioned articles of food. The beneficial effect of this feeding is evidence from the reported increase in the weight of the inmates.

The distribution of CARE Food Packages, in the seven Backward Class Hostels (District Thana), mentioned above, came to close at the beginning of December 1952.

(5) *Visits of Nutrition Workers to the Department.*—Miss M. Erskine, F. A. O. Nutritionist and Directress of the All India Women's Food Council's Course in Dietetic and catering, visited the Department to study the public health nutrition activities.

(*iii*) The Senior Lecturer (Kum. S. Chopra) at the College of Home Science, Baroda visited the Department to acquaint herself with departmental work.

DEPARTMENT OF NUTRITION.

Statement of Receipts and Expenditure from 1st January 1952 to 31st December 1952.

Receipts.	Expenditure.	Rs	a.	p.
Nil.	1. Pay of Officers	20,308	4	0
	2. Pay of Establishment—

SHORT NOTE ON THE WORKING OF THE DRUGS CONTROL ADMINISTRATION DURING THE YEAR 1952.

The Drugs Control Administration continued its work of the enforcement of the Drugs Act, 1940 and the Rules made thereunder and the year 1952 was the year of fair all-round progress. The main obstacle in maintaining the high level of efficiency, however, was the tremendous increase in work and inadequate Inspectorial and ministerial staff available to cope up with the work.

2. *Penicillin and Streptomycin.*—Under the Bombay Penicillin Control Order, 1950, the distribution of Penicillin was carried out in a satisfactory manner. The position as regards the availability of Penicillin went on improving considerably and the control over the distribution of this drug through the Government agency was no longer considered necessary. Government was therefore, pleased to cancel the Bombay Penicillin Control Order, 1950, with effect from the 1st September 1952. Still, however, the sale and distribution of Penicillin and Streptomycin through the Government Agency were continued in the State till the end of September 1952, with a view to ensuring the availability of the drugs in question to the public till these drugs were freely available through the trade channels. The Sales of Penicillin and Streptomycin were, however, stopped completely from 1st October 1952. Later on complaints were received from the public that Penicillin was still not available at distant mofussil places and that the public were greatly handicapped. The sales were, therefore, reopened with effect from 1st November 1952 at some dispensaries where such sales were considered necessary.

3. *Intelligence Branch.*—The Intelligence Branch worked vigourously all the year round and left no avenues untapped in its efforts to check the mal-practices prevalent in the drug trade. Nevertheless, there can be no denying the fact that the manufacture of spurious and mis-branded drugs is on the increase. The evil is not only confined to Bombay State but appears to have spread throughout the Indian Union.

The investigational work has considerably increased. In the absence of the essential additional staff for this Branch a single Drugs Inspector, who has been entrusted with this work in addition to his own normal duties, has been doing his best to rise to the occasion in tackling the cases one by one as they arise relying at times on the efforts and help of the Drugs Inspector stationed at Baroda. His efforts obviously fall short—rather too short—to meet the requirements and it has now become well-nigh impossible for him to tackle this huge problem, which only a team of Drugs Inspectors and watchers can possibly solve.

A conference was convened in the office of the Drugs Controller to consider ways and means of eradicating the activities of the 'Ring' in Princess Street. The conference was attended by the representatives of the Drugs Trade, Pharmaceutical Associations and the Medical Profession. The resolutions passed by the conference are receiving attention of Government.

4. *Conference.*—A sectional conference of the officers of the Medical and Public Health Departments was held in the Secretariat in October 1952. The conference was presided over by Shri Shantilal H. Shah, Minister of Public Health. In this conference the subject of 'Drugs Control Administration' was discussed. The concensus of opinion in respect of the enforcement of the Drugs Act, 1940, was that there was very poor control in the mofussil areas, as there were no Drugs Inspectors in the Districts and it was not possible for the Licensing Authorities

to inspect each and every place to be licensed. It was, therefore, suggested that full-time Drugs Inspectors should be appointed as soon as possible to look after the work of enforcement of the Drugs Act, 1940, in the Districts.

5. *Educational Activities.*—Educational activities towards making the drug dealers, manufacturers and the general public Drugs Act-minded were continued side by side as in the past. There were 2 occasions during the year 1952, when this Administration had the opportunity to achieve the above object.

One was during the commencement of the year, when the International Industries Fair was opened in Bombay. In this Fair, the organisers of the Medical Centre had allotted to this Administration a stall, free of cost. In this stall, in addition to the usual posters, photographs of ideal dispensaries and manufacturing premises, Code of Ethics for Pharmacies, etc., were exhibited. Drugs Inspectors were attending the stall from 6 p.m. to 9 p.m. by turns, for affording necessary guidance to the visitors. The visitors showed keen interest in the exhibits.

The second occasion was in December 1952. This was during the joint convention of the Indian Pharmaceutical Association and the Indian Pharmaceutical Congress Association, which was held at Kanpur, in December 1952. The session was inagurated by Rajkumari Amrit Kaur, Minister for Health, Government of India. A special symposium on "Spurious Drug Trade" was held under the chairmanship of Shri P. M. Nabar, Drugs Controller, Government of India. Drugs Controllers, Government Analysts, Drugs Inspectors, Representatives of Health Department and the manufacturers were specially invited to attend and put forth their views on the subject. Shri B. V. Patel, Drugs Controller for the State of Bombay, Bombay, and Shri K. C. Ananthanarayanan, Associate Pharmacologist and Government Analyst, Haffkine Institute, Bombay, were the 2 representatives of the Government of Bombay. Shri B. V. Patel drew the attention of the members present to the legal aspects of the spurious drug trade and the amendments necessary for eradicating the menace of the spurious drugs were suggested.

An exhibition on "Spurious Drugs" was also opened by Shri Nabar. Specimens of spurious and misbranded drugs confiscated by the Drugs Control Administrations of Bombay and Uttar Pradesh were exhibited along with the original packings of the genuine articles.

6. *New Drugs.*—During the year, the distribution of three new drugs was regulated under the provisions of the Bombay Drugs Control Order, 1949, viz.—

(*i*) Adreno-Cortico-Tropic Hormone (commonly known as ACTH).

(*ii*) Cortisone.

(*iii*) Isonicotinic Acid Hydrazide.

All the three drugs were, therefore, released in India on specific conditions, which were published in the *Bombay Government Gazette* for the information of all concerned.

7. *Test or Analysis of Drugs.*—Sampling programme was continued in order to check the quality, purity and strength of the drugs imported in India and of those manufactured locally. Number of samples collected during the year 1952 were 598. Out of these samples reported to be not of standard quality were 36 per cent. Necessary warnings were issued to firms marketing products not of standard quality.

STATEMENT A.

Showing the number of Hospitals and Dispensaries in the Bombay State during the year 1952.

(Total population of the Bombay State 3,59,56,150).

CLASSES I AND II.—This include all institutions maintained by provincial funds and under Government management. The fact that an institution possesses endowments or receives contributions from local funds or private subscriptions has not been regarded as a reason for not classing it as "State" when provincial and imperial funds are practically responsible for all the charges connected with it. Class I—"Public" are State Dispensaries which are open to the poorer classes of the public. Class II are State Departments which serve only a special section of the public as indicated in the sub-classification attached.

CLASS III.—Local fund dispensaries include all institutions which are vested in local boards or municipalities or guaranteed or maintained by local or municipal funds. The fact that such an institution is aided by private subscriptions or receives assistance from Government in the shape of part of the salary of the medical officer, grants medicine, or otherwise, has not been regarded as a reason for not classing it as a local fund dispensary, when its existence is practically dependent upon local funds.

CLASS IV.—Comprises institutions supported by private subscriptions or guarantee, but receiving aid from Government or local funds.

CLASS V.—Comprises institutions maintained entirely at the cost of private individuals or associations. The fact that Government supplies superior inspection or registers has not been regarded as a reason for not treating it as a private non-aided dispensary.

CLASS VI.—Comprises all railway dispensaries whether maintained by State railways or others.

CLASS VII.—Comprises all subsidised dispensaries opened under the "Rural Medical Relief Scheme".
